FROM THE PRINCIPAL'S DESK…

Greetings,

WE DID IT, another successful year has come to a close here at SJES!! We thank you for your support and I assure all parents that your kind words and deeds never go unnoticed. A special thank you to the PTO Board (Mrs. Emond, Mrs. Manchester-Spitz, Mrs. Faux, and Ms. Kruck) for leading many wonderful events and raising a significant amount for various school initiatives. This is never a stress-free commitment so I admire these ladies for stepping up while working full-time. You rock!! I would also like to thank Mr. Dobbins for coming in Tuesday to speak with our 3rd and 6th grade students regarding space travel. Mr. Dobbins has an impressive resume that includes time with the Department of Defense and Intelligence Community. He was active with the Gemini space project, various Apollo missions and even served on the console when Neil Armstrong and Buzz Aldrin walked on the moon! It was easy to grasp that he is a man of robust character and he had some very interesting antidotes for the students. We hope to have him back again next year.

We look ahead to a few weeks of rest and relaxation before the focus turns to providing a stronger educational experience in 2017-2018. Our Think-Stretch Program will once again be offered for incoming K-4th grade students. Please take full advantage of this unique opportunity to boost your children's skill in reading, writing, and math over the summer months. Three sessions at SJES will be offered to monitor student progress and offer additional support. A Think Stretch Assembly (with medals) in the Fall will follow to recognize those who completed portions or hopefully all of their grade level packets. There is a lot of truth in the saying, "A busy mind never rusts," and we urge all students to sharper their skills each and every day over the summer break.

It is with sorrow that I notify you that Mrs. Gaiser (Technology Coordinator) and Mrs. Williams will not be returning to SJES. Both of these individuals have contributed greatly over the past several years and their smile and sense of humor will be missed. We are hopeful that they will come and visit whenever time permits.

Mrs. Williams' replacement will be Mrs. Adamec, who has been a substitute and long-term substitute in first grade, and has served as the full-time instructional assistant for Mrs. Dickson for the bulk of this year. She continues to bolster her educational resume though various classes and manages time efficiently as a mother of eight! Mrs. Adamec will work tirelessly for the children and we will continue to provide a safe, holy, and nurturing environment in second grade. Mrs. Dickson's instructional assistant position has already been filled. We welcome Mrs. Shannon Crum to our faculty and staff. She has taught Earth Science at the high school level previously before staying home with her child. She will be yet another parent on staff very shortly when her lovely daughter joins our preschool in September. Mrs. Gaiser's technology position has not yet been filled but her replacement will be revealed in the August Back to School Information Packet.

FROM THE PRINCIPAL'S DESK... (Continued)

It is with sadness but mostly joy that we officially bid farewell to our wonderful 8th grade students. I remember this class vividly during my first year at St. John's as a Physical Education/Math teacher. They were a close-knit group at that time and I am delighted to say that this remains true many years later. Our faculty and staff are very proud of this cohesive unit and we are confident that they will continue to seek opportunities to flourish in faith, service, and academics. They are the 30th group to graduate from our current elementary school so we encourage them to visit whenever possible. A wonderful time for a reunion would be November 17,18, and 19th when we welcome all SJES alumni back for an exciting weekend of fun and fellowship.

Following is a link to our SJES parent survey. Your feedback is welcomed and encouraged to provide a stronger educational experience for the 2017-2018 school year: https://www.surveymonkey.com/r/WKHM9PL

Safe travels to all who will be roaming over the summer months. Have a happy, healthy, and holy summer break and may we continue to grow in God's grace and wisdom.

School and Club News

- The TORCH Drama Club is in full swing getting ready for their summer production, ***Chitty Chitty Bang Bang***. Our seamstresses are looking for donations of lace or eyelet edging, and elastics for several of the costumes. If you're cleaning out your sewing closets, we will graciously accept your notions at the school office who will kindly forward them to the sewing department! Tickets are going on sale in May so plan early to see the show before the two week-ends sell out! June 23-25, June 29-July 1! Ticket information can be found at TORCHtickets@gmail.com.

- CONGRATULATIONS to Nancy Dickson! She was the winner of the Summer Fun Raffle. Thank you to all those that contributed to the raffle.

Notes from the Nurse

- Please be aware if your student has medications in the clinic, those meds must be picked up and signed for by the last day of school. Any medications left in clinic after that time will be disposed of per Diocesan policy. The summer break is an excellent time to take care of any medical visits that may need to be performed before the new school year. All medical forms are available on the school website. MEDICAL AUTHORIZATION FORMS IN CLINIC FOR THE CURRENT SCHOOL YEAR WILL NOT BE APPLICABLE FOR THE 2017-2018 SCHOOL YEAR. New authorizations have to be obtained each year. I hope everyone has a blessed and healthy summer. See you in the Fall. Thanks, Mary
