FROM THE PRINCIPAL'S DESK...

Greetings,

I write to officially inform you that Mrs. Smith and Mrs. Heppard will not be returning to SJES for the 2018-2019 school year. I am pleased to welcome Mrs. Bartholomew as the new first grade teacher for St. John the Evangelist School. Mrs. Bartholomew has thirteen years of teaching experience at both the preschool and primary level. In addition, please join me in congratulating Mrs. Evans who will replace Ms. Smith in third grade next year. Mrs. Evans will continue to serve as Lead Mentor for new faculty so I am confident a seamless transition will occur for our new first grade teacher. A search continues for Mrs. Heppard's replacement, the individual selected will be announced in our annual August Newsletter.

We are grateful to Mrs. Smith and Mrs. Heppard for their dedication to our students and their faithful commitment to Catholic education. Please join me in prayer and thanksgiving for the many gifts that these individuals have brought to our school community over the past several years.

We have recovered from a fantastic weekend at SJES. The 8th grade Dinner/Dance and the Masquerade Ball was fruitful. We do not have a total yet for the Masquerade Ball but it is safe to say that a wonderful time was had by one and all in attendance. A special note of gratitude goes to Mrs. Catts, her committee members, and all ladies and gentlemen who played a small or large role in this prosperous event. It is now clearly evident that we will be able to replace at least several iPads that are no longer operational after many years of wear and tear. These devices are used for standardized testing, online assessments, and classroom instruction so it is encouraging to know that we can strengthen the educational opportunity for our students and appeal to the 21st Century learner. May we continue to grow in God's grace and wisdom.
