## FROM THE PRINCIPAL'S DESK...

Dear SJES Families,

Fall weather appears to be on the horizon. We have been abundantly blessed with plenty of sunshine and it is proven that all stakeholders benefit when the children are able to get outside and "blow the dirt off of you" as my father used to say :)

Our CYO fall sports teams are off and running. Cross Country has roughly 50 runners competing this year and the season will continue until the Championship meet in early November. Tennis has nine players and although youthful (6 fifth graders that have never played), they are making significantly progress and won their first match last Sunday. My sincere gratitude is extended to all of our CYO coaches and club sponsors especially some recent SJES graduates that will extend a helping hand over the next several weeks.

Our school continues to "Race" toward our Color Run fundraising goal. If you have not already, please send in registration forms and payment by Monday morning as our PTO plans to order t-shirts Monday. We have initiated a four phase plan to implement some technology upgrades over the next few years in order to better serve our tech-savvy learners. Our new Active Panels have been very well-received by our faculty and student body, it is amazing what has changed since we purchased our Promethean Boards eleven and twelve years ago. Our elementary teachers are also reviewing various updated reading series for the 2020-2021 school year.

As the end of the first trimester interim approaches, it is always a nice time to review the first 5-6 weeks and consider possible changes. I am hopeful as a school community, we can reduce the number of appointments occurring during the school day beginning the second six weeks. I understand it is not always practical to receive an ideal time but when the option is available or possible, it would certainly be helpful if these appointments could be scheduled after school to limit the impact on lost instructional time. Thank you for considering this option.

In closing, our faculty and staff continue to include our school families in our daily prayers. October is designated as the month of the Rosary and the Holy Father has dedicated October for missionaries around the world. We have a nice devotion planned today in honor of those serving the five continents. Please also pray for us as we aim to provide an educational experience rich in faith, knowledge, and service. May we continue to grow in God's grace and wisdom.

Mr. Macdonald

## Parent Volunteers

As part of the diocesan initiative to maintain a safe environment for our children, all volunteers with "substantial contact" with children are required to complete a background check prior to working in the school and to complete VIRTUS training. This includes parents who wish to attend field trips or volunteer in support of classroom activities. Parents are encouraged to promptly complete on line paperwork.

### Fauquier Fun Run & Relays

We are proud to announce the 2019 Fauquier Fun Run and Relay meet. The event is open to athletes currently in grades K - 8th. It is designed to appeal to boys and girls at all levels of experience, from novices to competitive athletes.

The fun run is a great opportunity for younger athletes to learn about the sport of Cross Country. For all athletes, emphasis will be placed on teamwork, and provide fun exposure to the joys of running.

Athletes can choose to run in a relay with their own team or be placed on a team. Teams can be all girls, all boys or co-ed (2 girls and 2 boys). This year's race will take place on the track at Fauquier High School. To add to the excitement and fun of the event the athletes will be running under the lights.

Athletes as well as coaches from the high school will be there to encourage and monitor the athletes during the races.
