FROM THE PRINCIPAL'S DESK...

Greetings,

We are grateful that all activities and events have been in-person this year. With that said, very soon we will have a unique opportunity to once again ZOOM with four young ladies and a few adults in Mozambique, Africa. Returning families know that we have partnered with the Sunshine Approach Foundation the past several years. The ability to hear their backgrounds and learn of their living conditions, immediately puts our first world "problems" in perspective. Returning families might remember that we covered the tuition for four young girls last year and we would like to renew that commitment once again. In order to make this happen for the fifth year in a row, \$1,400 is our goal. We will hold a Dress Down Day on Wednesday, November 17th and our students are encouraged to break open their piggy banks so we can provide Christina, Maria, Maura, and Virginia a faith-filled education yet again.

Our faculty and staff look forward to meeting with you in-person for Parent Teacher Conferences on Wednesday, November 10th from 1:00-7:00 p.m. and Thursday, November 11th from 8:00-12:00 p.m. If you have not already, please check your students' grades in Powerschool and click on the link provided, selecting a time that is convenient for you. Please note that we are once again asking all parents/guardians entering the building to wear a face covering. Thank you in advance for your continued cooperation.

In memory of the brave men and women (past and present) that have served this great nation, I offer the following prayer recently viewed online:

Dear Lord, we honor our veterans, worthy men and women who gave their best when they were called upon to serve and protect their country. ... We respect them, we thank them, we honor them, we are proud of them. We pray that you will watch over these special people and bless them with peace and happiness.

Until next time, let us continue to pray, learn, and serve... the vulnerable and less fortunate.
