## FROM THE PRINCIPALS DESK

Greetings,

Happy Friday and welcome to the last day of April! Today, and everyday, we thank God for grace, mercy, wisdom, knowledge, understanding, and kindness. We can all take comfort in knowing that God's grace will prevail. Yesterday is the past, today is a new adventure, and tomorrow has never been touched, that remains a beautiful thing.

I am eager to share that next week is Teacher Appreciation Week! Please keep our teachers in mind as we are deeply indebted to our faculty and staff for all they have done, especially this year. Due to their commitment to our students and continued perseverance, our students have hardly missed a beat. Their performance, as well as that of Mrs. Gay and the rest of the front office staff, will result in a significant increase in the number of students and families experiencing Catholic education in 2021-2022. Praise God!

It was exciting to see TORCH graduates and several new families at our Cabaret Night on Saturday evening. The Galvin family and ACTS team stole the evening, receiving a well-deserved standing ovation. We had set an ambiguous goal of raising \$20,000 and I am thrilled to share that our latest tally came in at \$27,112!! This has been a record-setting year on the fundraising front. We will use this money to purchase the final four Active Panels needed to complete Phase 1 of our Technology Plan. After two great years as President, Mrs. Warhurst and her PTO crew will pass the baton to the next Board. Congratulations on a job well done, Madame President!

Happy Mother's Day Weekend to all mothers. For those blessed with a second grader this year, I can't think of a better gift than watching your child receive the sacrament of First Holy Communion. The Eucharist is the heart of any parish and it is fitting that such a momentous day in the life of a young child is celebrated near Mothers Day.

The Catholic faith is steeped in tradition and the Church consistently highlights the necessity and importance of family. Throughout the course of history, it is safe to say that every child and family has been firmly held together by a strong adhesive- mothers. May Mary, our mother, watch over us and guide us to her son, Jesus Christ. Let us continue to pray, learn, and serve.. the vulnerable and less fortunate.

Mr. Temple W. Macdonald

## School News

June 4th has been changed to an Early Dismissal to accommodate an earlier 8th graduation celebration time.

### SCANTRON TESTING

Middle School Scantron Testing will begin next week, Monday, May 3rd for 6th and 7th grade.

Elementary Scantron Testing will begin the following week on Monday, May, 10th for grades 3-5.

Make up tests will be given the week of May 17th for any student that was absent on a testing day.

#### **Please keep a couple things in mind for the above dates:**

- As much as possible, avoid scheduling appointments for the testing dates.
- Please make sure that your child arrives on time to school.
- Try to have your child get a “good” night’s rest.
- Make sure your child comes to school after eating a healthy breakfast.
- Try to provide a healthy snack for your child if you do not do so already.

If your child is absent on one of the above testing dates, the missed test will be given on one of the Testing Make-Up Days.
