FROM THE PRINCIPAL'S DESK...

Greetings,

I am pleased to publicly share the final numbers from our annual Spring Gala. You might remember that our goal was \$20,000. Gross income for the event totaled \$52,571.42. Removing Gala expenses, we netted \$43,571.42!! Spanish and Math Textbooks have already been selected and will be ordered in the very near future. The roughly \$23,000 raised from the Day of Giving at the beginning of February will result in a Computer Lab demolition project over the summer. We are grateful to have our very own Mr. Bill completing the project, he will begin on Monday, June 13th. The PTO Board for the 2022-2023 school year will include Mrs. Keats, Mrs. Konsin, Mrs. Maybach, and Mrs. Pomietto. Many thanks to Mrs. O'Lone and Mrs. Pohlman for your service to our school this year. Words cannot express my sincere gratitude for another record-setting year. We look forward to moving our school forward and wait with eager anticipation to bring back many of our community-building events.

Student lists for our advanced math track (5-8th grade) and Creative Writing (6-8th grade) are currently being reviewed, the final assessment criteria is occurring as we speak. In addition, you can anticipate standardized testing results and final report cards on the final day of school-Friday, June 7th or slightly earlier depending on the grade of your child.

Our summer Think Stretch Program will be offered once again for our K-4th grade students. Please take full advantage of this opportunity to maintain your children's skill in reading, writing, and math over the summer break. Two sessions will be offered at SJES (To be determined) to monitor student progress and offer additional support and encouragement.

This is the last bulletin of the 2021-2022 school year. It has been an honor to serve you once again. May the gift of peace and the hope of His love comfort you. Let us continue to pray, learn, and serve...the vulnerable and less fortunate.

A Prayer for Teachers/Parents

God of Love, thank you for every teacher who notices a child's special gift. Thank you for teachers who are listeners and gentle guides. Thank you for teachers who expect much and love enough to demand more. Thank you for the special teacher each one of us remembers.

For this I pray, give our parents/teachers the wisdom to teach, the guidance to lead, the strength to endure and the hope to believe, a better place the world we will leave. AMEN.

Mr. Temple W. Macdonald

Notes from the Health & Wellness Coordinator

A few reminders:

- If your child has medications in the school clinic, please pick them up by the end of the school day on June 7th, 2022. An adult must sign for the medications. Any medications left in school clinic will be disposed of and no longer available after June 7th.
- If you have a kindergarten student or a student new to the school for the 2022-2023 school year, then a current School Health Entrance Form including a current vaccination record (record must be signed and dated by the physician) is required before the student starts attending school.
- If you have a rising 7th grader for the 2022-2023 school year, vaccination boosters are required. Physician signed and dated documentation is required to be submitted to the school Health & Wellness Coordinator before the student begins attending school for the 2022-2023 school year.

Best wishes for a safe, fun, and blessed summer.
God Bless,

Mrs. Lomax

Extended Day Program

SJE Extended Day Program is currently looking for additional staff members.

Morning shift runs Monday-Friday from 6:30am-8:10am.

Tasks include, but not limited to; supervising students at play before released to class, helping with student drop off in the carpool line and set up/cleanup duties.

Afternoon shift runs Monday-Friday from 2:45pm-6:00pm.

Our routine consists of signing students into the program, snack time, recess, homework time, and free play.

Applicants must be at least 18yrs of age, complete VIRTUS training, and receive a fingerprint and background check, all of which will be assisted by SJES school and Director.

Hired staff will be trained in CPR and First Aid.

Our program has a supportive team where staff members come from all different chapters in life, creating a welcoming environment.

If interested in an interview or more details about our program, please contact Jacqueline Smith (SJES Extended Day Director) at extday@sjesva.org or call (571) 334-1056.
