## In the News.....

### WELCOME BACK!

We felt so blessed to have a wonderful school year last year and know another phenomenal year is in store for us again.

The SJES PTO has a full calendar of events for you to look forward to this year. The events put on by the PTO are a way to bring our community together and raise funds for our beautiful school.

The new board is delighted to fill the shoes of Margherita Warhurst, and feel very blessed to have her guidance.  
-Heather Keats, President

### FUNDRAISERS

The Color Run is our first fundraiser of the school year, and always a favorite of the students! The Color Run is also one of our most successful fundraisers and allows SJES to make improvements that directly benefit our students. This year our goal is raise enough money in donations to upgrade the iPads the students use.

Color Run registration forms are sent home the first day of school. Please make sure to return them no later than September 10th.

Parents, Grandparents, and anyone who sponsors a student for the Color Run is encouraged to attend and cheer everyone on! We also invite you to volunteer and douse your student (and others) with color as they complete each lap.
