A Note From The PTO

Thank you to everyone that came out to Chipotle to support SJES for Spirit Night

Our Back to School Picnic & Movie Night was a success. Thank you to everyone for joining us. Big thanks to our volunteers and to the Lynch family for grilling and providing music during dinner!

PTO Farmer's Market

New this year was our PTO Farmers Market with tomatoes, squash, zucchini, watermelon, cantaloupe, peppers.

Everyone really loved having fresh veggies for a few weeks right at their doorstep.

Thanks to Shady Gardens for generously donating the vegetables for our sale. Shady Lane Gardens is a family-run and operated small farm located in rural Fauquier County. We specialize in vegetables, honey, and berries. Unlike typical store vegetables that are chosen specifically to handle long-distant transport packed in heavy crates, Shady Lane Gardens chooses vegetable varieties specific for their taste. Nothing is machine picked either, everything is hand-picked and scrutinized with a critical eye for your satisfaction. We also offer a few CSA (Community Supported Agriculture) annual memberships. There is nothing beating locally-grown and specific chosen produce varieties grown in Shady Lane Gardens.

Guess the Teacher

Be sure and check out the PTO Bulletin Board in the front hallway and see if you can guess the teacher by their baby pictures!
