August 2025

Dear SJES Families,

Welcome to the 2025-2026 school year! It is with great enthusiasm that we can continue to share our accomplishments within the framework of Catholic education at Saint John. While honoring the rich history of the Catholic faith and our long-standing traditions, we remain committed to making Saint John the Evangelist School great, in years to come. We are thrilled to share that Saint John was recently voted the: Best Place to Worship, Best School, and Best Preschool for Fauquier County. Thank you for your support!

If a single virtue characterized the life of Saint John the Evangelist School, it would be the guardian of all virtues: Humility. It has been my observation that our faculty and staff are often humble regarding the impact and joy they bring to countless lives. As you meet them, we hope you will see how fortunate our school community remains to have such a dedicated and talented group assembled within one learning environment. Enrollment stability over the past several years has been related to their tireless efforts before school, after school, in the evenings, and on the weekends.

Our school has been blessed to have the spiritual guidance and continued support of our pastor, Father Smith, parochial vicars Father Nicholas and Father Andrew, and Deacon Libera. Trimester Confessions, Weekly Stations of the Cross during Lent, and many faith traditions are brought to life by all of these faith filled men. We are grateful to these individuals and countless others for helping us maintain our Catholic Identity since 1960.

We extend great appreciation (in advance) to all members of our school community that will sacrifice time and talent yet again this year to improve our school for our greatest treasure- our students. A special note of appreciation is extended to our new PTO Board: President: Mrs. Desch, Vice-President: Mrs. Parriott, Treasurer- Mrs. Ragland, and Co-Secretaries- Mrs. Hadro and Mrs. Iacopelli. They will remind us many times this year that it is truly better to give than to receive.

Welcome back and let us continue to pray, learn, and serve... the vulnerable and less fortunate.

Sincerely,

Temple Macdonald III

I. PHILOSOPHY OF EDUCATION/MISSION STATEMENT

DIOCESAN PHILOSOPHY OF CATHOLIC EDUCATION

Go, therefore, and make disciples of all nations teaching them to carry out everything I have commanded you.

Matthew 28:19-20

These words of Christ addressed to the apostles at the Ascension bestowed on the Church the office of teacher. Obedient to this divine challenge, the Church provides education permeated with the spirit of Christ and dedicated to promoting the full development of the human person.¹ The two-fold goal of Catholic schools is to provide an environment which will foster rich religious training as well as solid academic education in a Catholic, value-oriented manner.

¹ Declaration on Christian Education #3

DIOCESAN MISSION STATEMENT

The Catholic schools in the Diocese of Arlington are an essential component in the educational ministry of the Church. Our schools are committed to providing an education rooted in the Gospel of Jesus Christ where Catholic doctrine and values and academic excellence prepare each student for a life of faith, service, and integrity.

SCHOOL MISSION STATEMENT/PHILOSOPHY

MISSION STATEMENT

Saint John the Evangelist Catholic School provides a Christ-centered atmosphere that recognizes the God-given gifts inherent within each child on the journey toward spiritual and academic excellence.

PHILOSOPHY

Saint John the Evangelist School integrates Catholic teachings and virtues throughout our school culture. We foster a challenging and inclusive academic program addressing the diverse needs of students. In partnership with families and the parish community, we encourage students to serve others while growing in Christ.

STUDENT/PARENT HANDBOOK

Each school shall utilize the Office of Catholic Schools (OCS) template to develop and distribute a handbook for students and parents/guardians. All local policies and procedures must be in conformity with the Office of Catholic Schools' policies, guidelines and regulations.

A committee, representative of the total school community, shall be involved in the development and periodic revision of this handbook. The handbook shall be updated annually to reflect policy and procedural changes. Principals shall establish a process for review and revision of local school policy to ensure changes reflect the input of key stakeholders. All parents, along with students in middle and high school, are required to provide a signature of receipt acknowledging they have read the rules and regulations outlined in the handbook, and they agree to abide by those rules (*Appendix AG-1 and AG-3*). An acknowledgment form will be provided to students upon receipt of the handbook. The form must be signed and returned by Friday of the first full week of school. Failure to have a signed form on file will not prevent the school from enforcing its policies and/or prevent a student from enrolling or continuing to be enrolled at the school.

Faculty and staff members shall be given access to all school handbooks.

In light of the unique situations which may arise in the educational process, and because it is impossible to foresee all school issues that arise, the faculty and administration reserve the right to address and to take appropriate action for any such situations not specifically referenced in this handbook. In addition, in view of the unique and essential religious mission of the school, it is expressly understood that the school may take action in cases where moral offenses occur which reflect adversely on the school, the Catholic Diocese of Arlington, or the Roman Catholic Church, or which interfere with the ability of the school to perform its religious mission or effectively maintain the intimate working relationship of the school and the Community of Faith.

This handbook may be modified by the school after reasonable notice to the parents/students of the effective date of any changes. Any section headings are for convenience of use and shall not affect the interpretation of any provisions. If the school should elect not to take action in a particular situation, this shall not be construed or interpreted as a waiver or preclude the school from acting in a subsequent situation of the same or similar kind.

Handbooks and all subsequent changes are subject to prior written approval by the Diocese. To the extent any local handbook or policy statement therein may be inconsistent with the policies, guidelines, or regulations of the Office of Catholic Schools, the Office of Catholic Schools' policies, guidelines, or regulations shall be of controlling force and effect.

PARENTAL/GUARDIAN ROLE

In this handbook, the term “parent” refers not only to a child’s natural or adopted parent, but to a student’s non-parent legal guardian or to any person or agency authorized to act in place of parents.

Since parents/guardians have given their children life, the Catholic Church recognizes parents as the primary and principal educators of their children. The Catholic parents’ promise at baptism to raise their children Catholic supports this premise. The Catholic school exists to assist parents in the Christian formation of their children. Since the school is a continuation of the education children are receiving at home, diocesan schools should demonstrate respect and support for the parents in their important and challenging task.

As foundation for a faith-community, parents are invited and encouraged to participate in the school's celebration of prayer and liturgy.

Parents are encouraged to participate in the programs which are developed for the education of their children. The wide spectrum of this involvement includes volunteer work, participation in parent-teacher conferences, attendance at meetings and seminars designed to help parents assist their children at home, and active involvement in the school's Parent-Teacher Organization.

Parents are expected to support the school's mission and commitment to Christian principles and support the school policies as outlined in school handbooks (i.e., annually sign the school's Handbook Agreement Form). One of the conditions for initial and continued enrollment at the school is receipt of this signed form indicating the parent's support of the school's philosophy, policies, and regulations.

If a parent repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students, or displays disrespectful, disruptive or harassing behavior toward teachers or toward school, parish, or diocesan staff (in verbal, written, or digital form), the school may take corrective action. Such corrective action may include, at the discretion of the principal (and, for parish schools, the pastor of the parish) the following: imposition of particular rules or procedures the parent must follow in interacting with the school and its students and staff; restriction or termination of the parent's access to school or parish property; dismissal of the parent's child(ren).

The school may impose other appropriate corrective action, without prior recourse, based upon the nature of the parent's conduct and the surrounding circumstances.

SEXUAL IDENTITY POLICY

The Diocese of Arlington is committed to providing a safe environment that allows students to develop and prosper academically, physically and spiritually, consistent with Catholic teachings and principles affirming that the body reveals each person as male or female and that the harmonious integration of a person's sexual identity with his or her sex is an expression of the inner unity and reality of the human person made body and soul by God and in the image and likeness of God. In fulfillment of these religious truths, our Catholic educational environment shall reflect a relation to persons (including name and pronoun usage, uniforms, access to facilities and overnight accommodations, and eligibility for single-sex curricular and extracurricular activities) that is respectful of and consistent with each person's God-given sexual identity.

Recognizing that each person is created in the image and likeness of God ensures that dignity is safeguarded, and safe environments are fostered. When parents send their children to Catholic schools and when persons choose careers in Catholic education, they should expect an environment consistent with the truth that God-created sexual identity speaks to His vision for each person's relationship to Him, oneself and others. Behavior and expressions of a person's sexual identity within the school environment that are inconsistent with these principles and/or

which cause disruption or confusion regarding Catholic teachings on human sexuality are prohibited. The full cooperation with this policy of school officials, faculty, parents and students is required and a condition precedent to the continued enrollment of each student and the continued employment of each employee, and the enforcement of this policy by the school is deemed a spiritual mandate.

NON-DISCRIMINATION CLAUSE

Catholic Schools, administered under the authority of the Catholic Diocese of Arlington, comply with those constitutional and statutory provisions, as may be specifically applicable to the schools, which prohibit discrimination on the basis of race, color, sex, age, marital status, disability, national origin, or citizenship in the administration of their educational, personnel, admissions, financial aid, athletic, and other school-administered programs.

This policy does not preclude the existence of single sex schools, nor does it conflict with the priority given to Catholics for admission as students. This policy also does not preclude the ability of the school to undertake and/or enforce appropriate actions with respect to students who advocate on school property or at school functions, any practices or doctrines which are inconsistent with the religious tenets of the Catholic faith.

NON-CATHOLIC STUDENTS

The presence of students from other faiths provides a wonderful diversity to the school. However, the presence of non-Catholic students in the school shall not alter the primacy of Catholic religious formation as an integral component of the school's educational program. As such:

- a. Non-Catholic students are expected to participate in the religious formation and education programs of the school.
- b. Non-Catholic students must participate in liturgies (except for reception of the Eucharist), retreats, other religious functions, and religion classes for credit.
- c. Non-Catholic students may be exempt from formal co-curricular or extracurricular sacramental preparation programs but not from the catechesis held during the school day.
- d. All students are expected, for testing and discussion purposes, to be knowledgeable of the Catholic Church's positions on scripture, revelation, and moral practices. While Catholic teaching respects the various faith traditions of the students attending the Catholic school, parents/guardians must be aware that it is the Catholic position that will be taught.

In light of the unique situations which may arise in the educational process, and because it is impossible to foresee all school issues that arise, the faculty and administration reserve the right to address and to take appropriate action for any such situations not specifically referenced in this manual. In addition, in view of the unique and essential religious mission of the school, it is expressly understood that the school may take action in cases where moral offenses occur which reflect adversely on the school, the Catholic Diocese of Arlington, or the Roman Catholic Church, or

which interfere with the ability of the school to perform its religious mission or effectively maintain the intimate working relationship of the school and the Community of Faith.

This handbook may be modified by the school after reasonable notice to the parents/students of the effective date of any changes. Any section headings are for convenience of use and shall not affect the interpretation of any provisions. If the school should elect not to take action in a particular situation, this shall not be construed or interpreted as a waiver or preclude the school from acting in a subsequent situation of the same or similar kind.

II. ACADEMICS

CURRICULUM

Curriculum encompasses the sequentially ordered learning experiences which the school provides for its students. The total curriculum includes the development of Catholic values and attitudes, as well as the attainment of knowledge and skills necessary for the student's spiritual, moral, intellectual, social and physical development.

The basic curriculum for the school (but not necessarily for each grade level) includes the following subjects: Religion, Reading, Language Arts (English, Spelling, Handwriting), Mathematics, Science, Social Studies, Fine Arts (Art and Music), Health and Safety, Physical Education, Technology, Library and World Languages.

The following path is outlined for those students capable of completing High School Geometry in the eighth grade.

GRADES FIVE TO SIX

For placement in Pre-Algebra in the sixth grade:

- c. Iowa Algebra Aptitude Test results: 80% or above (recommended time of testing – May of 7th grade year).
- d. Favorable teacher and principal recommendation. The Saint John the Evangelist school utilizes the honors committee for placement recommendations.

The Algebra I course incorporates numerous word problems that students need to solve. A teacher's recommendation should take into consideration the reading comprehension standardized test score when making a final decision for placement in Algebra I.

Eighth grade students must satisfy the following criteria to receive credit for Algebra I instruction and placement in the next level of high school math instruction:

- a. Pass the Algebra I course.
- b. Score 77 or above on the Diocesan Algebra I exam.
- c. Receive teacher recommendation for placement in the next level of high school math instruction.

If a student does not score 77 or above on the exam, a compelling case made by the teacher through the use of the Teacher Recommendation Form (*Appendix X*). The form is then forwarded to the high school. The decision of the high school will be final.

VIRTUAL INSTRUCTION

If the need arises for the school to move to virtual instruction:

1. Maintain effective communication between teachers, students and families about the virtual learning plan.
2. Teachers must include a balance of synchronous and other offline opportunities for learning and feedback.
3. Feedback is paramount and students should be accountable for their work. Assignments shall be assessed in a timely manner to provide feedback to the student.

ACCOMMODATIONS FOR INDIVIDUAL DIFFERENCES

The school recognizes the beauty and potential inherent within each student. In an effort to foster continued growth, the school embraces the opportunity to provide assistance and services for students with disabilities according to the resources available within/to the school. Parents/guardians are considered an integral part of the process.

At Saint John the Evangelist School, the Resource Director and/or Reading Resource Teacher, designated teacher or teachers, and/or an administrator, or designee will attend the formal SAP meetings. Parents are expected to meet each year to review and revise any changes to the SAP. Students are not able to receive modifications or pull-out instruction without proper public or private testing. Testing must be renewed every three years to keep SAP services active.

In order to accommodate a student who has been evaluated for special learning needs, parents are obligated to share educational/psychological testing results and any resulting plan with the school. The refusal to provide such information is grounds for terminating enrollment in the school. A student may be admitted on a probationary basis with dates and criteria of evaluation clearly established in writing.

If a student has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan, and/or Student Assistance Plan (SAP) should be maintained in the student's confidential file. Students who have a documented disability, but do not qualify for services through the local public school, may be eligible for interventions through a Student Assistance Plan written at the Catholic school.

When a student qualifies for special education services through the public school and will not receive services, an Individualized Catholic Education Plan can be written following the information in the Guidelines for Serving Students with Disabilities.

Students with disabilities are expected to follow the school's policies and honor code.

IMPLEMENTATION OF FAMILY LIFE PROGRAM

Catechesis in sexuality is an important and sensitive component of a comprehensive program of catechesis. According to the Second Vatican Council, “As they (children and young people) advance in years, they should be given positive and prudent sexual education.” Education in sexuality includes all dimensions of the topic: moral, spiritual, psychological, emotional, and physical. Its goal is training in chastity in accord with the teaching of Christ and the Church, to be lived in a wholesome manner in marriage, the single state, the priesthood, and religious life.

Saint John the Evangelist participates in Diocesan approved programs. Parents, as the primary instructors, are provided information about the program and the opportunity to opt out prior to the instruction.

TEXTBOOKS/SUPPLEMENTAL MATERIALS

The faculty and staff in collaboration with the administration and curriculum coordinators select the textbooks and supplemental materials.

Non-consumable textbooks are issued to students yearly. The students should treat the books respectfully and return them in good condition. Parents are responsible for the cost of replacing lost or damaged books.

RESPONSIBLE USE POLICY FOR TECHNOLOGY AND ARTIFICIAL INTELLIGENCE (AI)

There is no expectation or right to privacy or right to freedom of speech when using the school’s computer resources, which are the school’s property. Any use of the school’s computers and internet access must be in support of education and research and be consistent with the educational objectives of the Diocese of Arlington Office of Catholic Schools.

Inappropriate use which includes but is not limited to: unauthorized transmittal or improper use of copyrighted materials or materials protected as trade secrets; transmission of threatening or obscene materials; vandalism of computer files; and violation of computer security as determined by the school administration can result in a cancellation, denial, suspension and/or revocation of those privileges by the school administration and also subject the student to other disciplinary action.

Electronic and/or digital communications with students should be conducted for educationally appropriate purposes and employ only school-sanctioned means of communication.

- e. Any attempt to log onto the internet or the school's network/system as a systems administrator will result in a loss of user privileges at the school. Any user identified as a security risk by the school administration/systems administrator due to a history of actual or suspected unauthorized access to other computer(s), network(s), or system(s) may be denied access to the school's computers, networks, and/or systems.
- f. Users of artificial intelligence (AI) shall generally abide by:

 - v. Users should create and access AI content appropriate for an educational environment. Permission and supervision by a teacher or school administrator are mandatory for students to use AI tools at school. Please note that many AI programs require users to be at least 13 years of age for use. Schools should be thorough in their research of the AI programs' Privacy Policy.
- g. Users shall abide by generally accepted rules of network etiquette, which include but are not limited to:
 - i. Messages to others shall be polite and shall not be abusive.

Use of any information obtained via the internet is at the user's risk. The school specifically denies any responsibility for the accuracy or quality of information obtained through internet sources.

At Saint John the Evangelist School, we are committed to maintaining a safe and secure online environment for our students, staff, and community. Our Responsible Use Policy ensures compliance with key regulations including the Children's Internet Protection Act (CIPA) and the Children's Online Privacy Protection Act (COPPA).

CIPA Compliance: We adhere to CIPA guidelines, implementing internet filters to prevent access to inappropriate or harmful content. This helps create a safe online space for learning and exploration.

COPPA Compliance: Our digital platforms and services are designed with COPPA compliance in mind. The Catholic Diocese of Arlington and Saint John the Evangelist School contracts with third-party website operators to offer online programs solely for the benefit of the students and for the school system – for example, homework help tools, individualized education modules, online research and organizational tools, or web-based testing services. In these cases, the district or school may act as the parent's agent and can consent under COPPA to the collection of kids' information on the parent's behalf. Only information that is reasonably necessary to participate is collected. Parents have the right to access the information and may request to revoke the access.

By utilizing Saint John the Evangelist's technology resources and digital platforms, users acknowledge their commitment to these compliance measures, fostering a secure and enriching online experience for everyone in our school community. For further information or questions, please contact our administration or technology department.

TESTING

The school's testing program is intended to assist teachers and administrators in a systematic evaluation of the academic and religion programs, to identify students' strengths and weaknesses, and to aid in the revision of the curriculum and planning of instruction.

In addition to academic tests for grading purposes, the school will administer standardized religion and achievement tests according to the diocesan testing program. All eighth grade students take the high school placement test used in determining placement in diocesan high schools. Teachers are encouraged to review the format and style of the High School Placement Test as well as test taking strategies with their students. Extensive class time to prep students for this test is not encouraged.

The Diocese of Arlington assesses faith and practice of the faith. Students in grades 5 and 8 are assessed annually. Results are given only at school level. Individual scores are not provided by the testing company. Saint John the Evangelist will be piloting the ARK Testing in place of the ACRE Testing. Students in grades 5 and 8 will be participating in this testing.

Grades K-2 will be assessed in Literacy readiness and growth using STAR/CBM assessments. They will also be assessed three times per year.

HOMEWORK

Homework reinforces skill acquisition, retention of content knowledge, and formation of good study habits. Although homework has different purposes at different grades, homework is required at all grade levels. The amount of homework a child may have on any given day will vary depending upon the nature of the assignment, the amount of work the child completes in school that day, and the speed at which the child completes his/her work at home.

SUGGESTED TIME ALLOTMENTS

Below are the Office of Catholic Schools' guidelines for homework. Homework does not have to be assigned every day, but should generally fall within these ranges:

- Grades 1-3: 10 to 30 minutes daily
- Grades 4-6: 30 to 60 minutes daily
- Grades 7-8: 60 minutes to 2 hours daily

Saint John the Evangelist School supports the diocesan homework guidelines.

- Grades K-3: 10 to 30 minutes daily
- Grades 4-5: 30 to 60 minutes daily
- Grades 6-8: 60 to 120 minutes daily

GRADES:

Parents help their children with homework by acknowledging its importance and providing space and time for the assignments to be accomplished. The students are responsible for copying the assignments, bringing home the necessary supplies and completing the assignments in a timely manner.

Homework will be posted for students on the Schoology for 3rd-8th students. Parents with primary

students (K-2) should check their child's agenda for assignments. Students in grades 3-5 are expected to capture all assignments in their agendas. Middle school students are strongly encouraged to use their agendas to capture and organize all their assignments.

PARENT-TEACHER COMMUNICATION

Teachers are expected to be reasonably available to parents/guardians throughout the school year to keep the lines of communication open in the best interest of the students. Parent-teacher conferences can be scheduled throughout the school year if necessary. Parents should first privately contact a teacher with any concerns about a student or class concerns before seeking intervention by the school administration.

In the event a parent desires to discuss a problem with his/her child's teacher, the parent should make an appointment for a private meeting with the child's teacher. Teachers welcome the opportunity to discuss a matter of concern with parents before it becomes an actual problem. Any parent who wishes to speak with the principal may do so after an initial meeting with the classroom teacher. Similarly, parents should discuss matters of concern with the school principal and pastor when necessary, before bringing them to the Office of Catholic Schools.

SCHEDULING AND OTHER CONFERENCE INFORMATION

Parent Teacher Conferences are scheduled in November. Student release time is provided to accommodate both parent and teacher schedules. Parents are strongly recommended to participate in these conferences. Parents will be notified of the sign-up process by email. Requests for additional conferences throughout the year should be made in writing to the teacher to arrange for a specific date and time.

GRADING/REPORT CARDS

Evaluation of the student is based on teacher judgment and observation of the student's daily work, class participation, effort, and performance on teacher-prepared assessments to include but not limited to tests, projects, portfolios, and other tools of assessment.

The purpose of report cards is to present to parents/guardians information about how their student is performing in his/her academic studies, and to alert them to any problems.

Students with identified disabilities who have a current IEP or Student Assistance Plan should receive an asterisk on their report card grade when modifications have been made to the curriculum. A modification changes the content, instructional level, or student workload of subject matter or tests. Conversely, accommodated programs should not be denoted.

GRADING SYSTEM

Grades 1-2

- M Meets Grade Level Standards – Child consistently meets skills
- P Progressing Towards Grade Level Standards – Child is in process of developing skill
- NI Needs Improvement – Child is not demonstrating skill

ACADEMIC PROGRESS SCALE

The letter M, P or NI is indicated in the appropriate box for each subject area.

*(asterisk) indicates modified curriculum.

Grades 3-8 use numeric (percentage) grades. Below 70 is designated by an F.

INDICATORS FOR EFFORT, SPECIALS, AND PERSONAL DEVELOPMENT:

- 3 Very Good
- 2 Satisfactory/Good
- 1 Needs Improvement
- X Unsatisfactory

Student grades are posted on the Parent Portal on PowerSchool for students in grades 3-8. Parents should login to the Parent Portal periodically during the trimester to review these grades and address any concerns to the teacher by written message and a conference, if necessary. Parent Portal login information is shared with parents at the start of the year. Questions about the login can be addressed to the Director of Communications and Technology.

Report cards are distributed each trimester. They reflect the level of achievement in academics and conduct that a child has merited over a twelve-week period. Dates for distribution are on the school calendar. **Report card envelopes must be signed by the parent and returned to the classroom teacher within two days of issuance.**

Scholastic honors are distributed each trimester with the report cards for grades 5-8.

High Honors (Principal's List)

- 93 or above in every subject
- 2 or above in effort
- 2 or above in all areas on the right side of the report card

First Honors

- 90 or above in every subject
- 2 or above in effort
- 2 or above in all areas on the right side of the report card

Second Honors

- 85 or above in every subject

2 or above in effort

2 or above in all areas on the right side of the report card

Students with three or more behavioral referrals in a trimester will not be eligible for honors in that trimester.

PROMOTION/RETENTION/PLACEMENT POLICY

A major goal of the school is to help students to complete each academic year satisfactorily. The repetition of a grade is recommended when it is deemed by the school to be necessary and advantageous to the particular needs of the student.

- a. The final decision to promote or retain a student is based on the student's academic performance and best interest as determined by the principal.
- b. Teachers will notify parents/guardians if their child is not progressing satisfactorily toward a passing grade in the course.
- c. Elementary students failing one or two academic areas must successfully complete a remediation program approved by the principal in order to be promoted to the next grade. If a student fails three or more core academic subjects, the student will not be promoted to the next grade.
- d. Students who have not successfully completed summer school or another program approved by the principal but would not benefit from being retained in the grade may be "placed" in the next grade level; however, the school must prepare and implement an "Academic Intervention Plan" for the student as a condition of placement.

SCHOOL COUNSELORS

School counselors are available to confer with students in areas which may extend beyond academic matters. While the conferences are generally confidential, the counselor may need to disclose certain information to parents/guardians, school administration, or other authorities.

In the event that a counselor is unavailable, the administration will meet with students as necessary. Saint John the Evangelist does not have a counselor at this time.

HONORS PROGRAM

Honors classes are designed to differentiate instruction for students that consistently demonstrate academic success by assessment data and are academically ready for an increasingly rigorous curriculum.

The Saint John the Evangelist School Honors Program has been designed to provide an opportunity for our most highly competent and academically abled students to demonstrate their excellence. Currently the Honors Program serves eligible students in grades 5-8. Accelerated math is offered for qualifying fifth grade students. Honors Math classes are offered for qualifying sixth, seventh and eighth grade students.

Entrance into the Saint John the Evangelist Honors Program is a rigorous endeavor most appropriate for highly motivated students whose academic abilities and talents are apparent in math.

The goal of this program is to provide students who have advanced intellectual, academic, and/or creative capabilities the opportunity to exceed the standards of learning for their normal grade level. In addition, students will work with peers of similar aptitude within a rigorous learning environment to reach their highest level of learning and accomplishment. The structure of this program should ultimately prepare middle school students to easily transition into Honors High School courses.

PROGRAM ENTRANCE CRITERIA

The identification process to determine eligibility for the Saint John the Evangelist Honors Program (grades 5-8) relies on standardized test scores from the previous year, grade point average in the reading and/or math discipline, Honors Committee recommendations, and if necessary, placement test results.

Math

Students who obtain an overall NPR (National Percentile Ranking) Score of 90+ on the final NWEA Map test score, a minimum of 90% for the math placement test, and/or a minimum of 90% for the average math grade at the end of the third trimester, are automatically flagged for evaluation into the program.

- Diocesan identified standardized test scores
- Final GPA in the appropriate discipline
- Placement Test (*appropriate scoring may vary by course and grade level*)

Students who meet two of the three requirements may still be invited to the program if they receive an Honors' Committee recommendation with input from a teacher. Candidates must fulfill three of the four final requirements to be included in the Honors Program.

Candidates must be an enrolled Saint John the Evangelist School student from the previous year. Students new to Saint John School may be considered for preliminary, probationary placement based upon qualifying academic report cards from previous school and qualifying placement test scores.

PROGRAM EXPECTATIONS

It is expected that the Saint John the Evangelist School Honors Program will benefit the students within the program as well as the school. The program is designed around these expected outcomes:

- Higher academic gains on standardized testing measures
- Accelerated, extended curriculum
- High School preparation
- Differentiated process, product, and learning environment
- Higher levels of self-confidence and self-reliance among students
- Increase teacher expectations of students.

Placement in the Honors Program is a privilege with associated responsibilities. This is a year-long commitment. The expectations below outline those responsibilities.

* This program does not offer enhanced GPA for students, but early preparation for high school coursework. Report card grades will reflect participation in the HONORS discipline.

ATTENDANCE EXPECTATIONS

Excellent attendance is strongly suggested for success in the SJES Honors program. It is recommended that students be in attendance at least 90% of the time (equates to missing less than 6 school days per trimester) to be successful. Inability to meet attendance criteria could result in dismissal from the program.

ACADEMIC EXPECTATIONS

Honors students are expected to complete all assignments and maintain an “80” in Honors classes. At the end of the first interim, teachers will recommend students to continue or return to regular math enrollment. At that time parents of students with grades below an 80% may opt-out of accelerated/honors math and return to regular math. Thereafter, any interim grade below this level will signal a review process which will include probationary status in the program. During this time, the student will be encouraged to re-evaluate study strategies and to prioritize goals. At the end of the trimester, students on probationary status will work with the parents, honors teachers, and administration to develop study plans with the aim of improving grades. Students not compliant with the study plan, or who still have probationary status at the end of the academic year may be released from the Honors Program. Students released from the program will not be eligible to rejoin the Honors Program for one calendar year. For Accelerated Math, all fifth-grade candidates will be re-evaluated at the first interim for correct placement.

BEHAVIOR EXPECTATIONS

Behavior must be appropriate to the situation and setting. Students in this program are responsible for personal and classroom behavior. They will be expected to display appropriate learning behaviors in any situation and not to interfere with the learning of others. All behavior should be in line with the Saint John the Evangelist School Student Code of Conduct and in keeping with the Catholic faith.

NOTIFICATION PROCESS

Parents/Guardians will be notified by letter or email whether their child has been accepted into next

year's Honors Program after the current school year. New Honors Program candidates must return the Intent to Participate form. The form is included with the acceptance letter. It must be returned to Saint John School on or before July 5, 2025. This enables the school to build appropriate schedules for students. All candidates must return the form stating their preference for placement for the academic year. Intent to participate forms will be kept on file in the school. Students who fail to return their forms will be placed at the discretion of the Honors Committee. Questions regarding the Honors Program can be referred to the Honors' instructor or the school's administration.

III. ADMINISTRATIVE PROCEDURES

ADMISSIONS

DIOCESAN INITIAL ADMISSION REQUIREMENTS

Students who desire an educational experience founded on the Catholic philosophy of education and who fulfill the age, health, academic, and behavioral requirements are eligible to apply for admission to the school.

The school sets registration procedures and admission policies. The availability of space and the order of preference for admission is determined by the school according to the following general criteria:

- a. Children from the parish
- b. Children from parishes without schools
- c. Children from parishes with schools (for sufficient reason)
- d. Children from non-Catholic families

If approved by the pastor, and where practicable, siblings may receive special consideration.

AGE FOR ADMISSION TO KINDERGARTEN

Under Virginia state law (Code of Virginia 22.1-254) school attendance is compulsory for children who have reached their 5th birthday on or before September 30th of any school year. Readiness testing (fine/gross motor, speech, and language screen) is required for kindergarten entry and within 60 days of school admission for new students in grades 1 – 3. Additional school readiness testing may be conducted at the discretion of school officials. In those cases where the school has sufficient reservations regarding the potential for success, those students may be admitted on a conditional basis with dates and criteria of evaluation established in writing; however, the decision of whether to extend or remove conditional admission status should be made by school officials at their discretion.

REQUIREMENTS FOR SCHOOL ADMISSION: PRESCHOOL – GRADE 5

- a. Presentation of an original birth certificate (schools are expected to keep a copy of the certificate on file)
- b. Baptismal certificate for Catholic students
- c. Proof of custody where applicable
- d. Current report card and previous academic years' report card as applicable
- e. Current standardized test scores and previous years, if applicable
- f. Completed Diocesan Application Form (*Appendix J*)
- g. A non-refundable application fee
- h. A fully executed MCH 213G Commonwealth of Virginia School Entrance Form or other U.S. state equivalent, which stipulates the following must be submitted prior to the student beginning school:

 - ii. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to the first day of school and entering a new school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A pre-school physical does not take the place of the required kindergarten entry physical even if it was completed within the 12 months prior to kindergarten entry. This is because some aspects required for kindergarten are not included in a pre-school physical – e.g., hearing and vision screening)
- i. Proof of satisfying tuition requirements at any former diocesan school if previously enrolled in a diocesan school

REQUIREMENTS FOR ADMISSION TO GRADES 6 – 8

- a. Presentation of an original birth certificate (schools are expected to keep a copy of the certificate on file)
- b. Baptismal certificate for Catholic students
- c. Proof of exact dates of immunization with signature of licensed healthcare provider
- d. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to the first day of school. Equivalent school entrance physical forms from another state may be acceptable. A Virginia High School League (VHSL) sports physical is also acceptable in lieu of a MCH 213G and is also required if a student will be participating in athletics.
- e. Records from previous school, including standardized test scores
- f. Proof of custody where applicable
- g. Completed Diocesan Elementary or High School Application Form (*Appendix J*)

- h. A non-refundable application fee
- i. A fully executed MCH 213G Commonwealth of Virginia School Entrance Form or other U.S. state equivalent, which stipulates the following must be submitted prior to the student beginning school:
 - i. Proof of exact dates of required immunization as required by the Code of Virginia. Immunization records are required to be signed and verified by a licensed healthcare provider.
 - ii. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to the first day of school and entering a new school for the first time. Equivalent school entrance physical forms from another state may be acceptable.
- j. Proof of satisfying tuition requirements at any former diocesan school if previously enrolled in a diocesan school.

GENERAL CONDITIONS OF ADMISSION

A student is admitted to the school on the premise the student intends to learn the Catholic religion and be educated in a Catholic environment. In certain cases, students may be admitted on a probationary basis subject to the student successfully completing one or more subsequent interim evaluations. Students with academic or other needs (i.e. behavioral), which cannot be reasonably addressed by the school, may be denied admission.

School application forms may request disability-related information. The Americans with Disabilities Act (ADA) does not prohibit a school from asking questions about a student's disabilities provided that information does not automatically prohibit a student from applying.

F-1 (NON-IMMIGRANT)

1. F-1 (Nonimmigrant) students who apply for admission to a Diocese of Arlington Catholic school will be considered for admission, upon meeting the following conditions:
 - a. Meets Diocesan admission requirements:
 - i. A fully executed MCH 213G Commonwealth of Virginia School Entrance Form or equivalent, which stipulates the following must be submitted prior to the student beginning school:
 1. Proof of exact dates of required immunization as required by the Code of Virginia with signature of licensed healthcare provider.
 2. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to the first day of school and entering a new school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A pre-school physical does not take the place of the required kindergarten entry physical even though it was completed within the 12 months

prior to kindergarten entry. This is because some aspects required for kindergarten are not included in a pre-school physical – e.g., hearing and vision screening.)

- ii. F-1 (Nonimmigrant) students who enroll in a school in the Diocese for the first time must provide documentation that they are free from communicable tuberculosis.
 - b. Currently holds or is in the process of obtaining an F-1 (Nonimmigrant) student visa;
 - c. Resides at the same U.S. address as the guardian, who is identified as such on the I-20 application and recorded in SEVIS;
 - i. Guardian Permission and Agreement Form must be completed and signed by parent and guardian. (*Appendix AJ-2*).
 - ii. Guardian cannot house more than two international students. Policy may be amended if requested in writing from a guardian in certain situations. For example, if international students are related to one another and/or related to the guardian.
 - d. Pays tuition in full upon school admission;
 - i. There is no refund given for registration, tuition or other related fees.
 - e. Carries applicable healthcare insurance, including for emergencies, that may be needed while in the United States;
 - i. The Diocese of Arlington does not provide healthcare insurance for international students.
 - f. Shows adequate English proficiency for the grade level to which they are applying. The level of English proficiency should allow students to pass all classes/subjects, including world language class. Schools cannot substitute normal curriculum classes with English support classes and must report an official grade for all subjects.
- 2. Students meeting the above criteria and accepted for admission must complete the Diocese of Arlington I-20 Application Form and return the form to the school the student will be attending. The school must forward the Diocese of Arlington I-20 Application Form to the Office of Catholic Schools with the original signature of principal or admissions director.
 - 3. When a student is transferring *from* another school outside the Diocese, the originating school must transfer the existing I-20 in active status to the Diocese of Arlington. A Diocese of Arlington *International Student Transfer Report* must be completed by the originating school and returned to the Office of Catholic Schools along with the *I-20 Application Form*. It is the responsibility of the parent/guardian to contact the originating school within 15 days of leaving that school to have the I-20 transferred;
 - a. A student must maintain status by attending classes until the transfer release date. Lack of attendance before the transfer date would be a violation of status and the student's SEVIS record should be terminated;

- b. The student must report to the school within 15 days of the program start date and enroll full time in the first required session/term at the school;
 - c. When a student is transferring *to* a school outside the Diocese of Arlington school system, the Diocese of Arlington must transfer the existing I-20 in active status to the new school. It is the responsibility of the parent/guardian to contact the Office of Catholic Schools within 15 days of leaving the Diocesan school to have the I-20 transferred.
 - 4. In order for international students to maintain F-1 (Nonimmigrant) student status, the Department of Homeland Security requires ongoing accounting. In that regard, schools are responsible for ensuring the enrollment status of all F-1 (Nonimmigrant) students is reported correctly. Reports for elementary school international students will be accessed through the Student Information System district database. Specifically, the school shall:
 - a. Create and update elementary F-1 (Nonimmigrant) student record in the Student Information System, ensuring all fields pertaining to international students are completed. All F-1 (Nonimmigrant) student records must be completed and/or updated within 15 days of the beginning of every semester;
 - b. Notify the Office of Catholic Schools via the Semester Report on Status of F-1 (Nonimmigrant) Students Form if an F-1 (Nonimmigrant) student has been accepted by that school and fails to report to the school within 30 days of their program start date;
 - c. Notify the Office of Catholic Schools via the Semester Report on Status of F-1 (Nonimmigrant) Students Form within 15 days when an F-1 (Nonimmigrant) student transfers to another school or departs the United States;
 - d. Report via the Semester Report on Status of F-1 (Nonimmigrant) Students form any legal change in the name, address, or guardianship of an F-1 (Nonimmigrant) student within 10 days.
 - 5. For students who hold a visa other than F-1, refer to Visa Types (*Appendix AJ*):
 - a. Students who are currently in B-1 or B-2 status cannot begin their studies prior to approval of their change to F-1 (Nonimmigrant) student. Obtaining a change of status is the responsibility of the parent/guardian.
 - b. Students who are currently in B-1 or B-2 status may be enrolled to audit classes at the discretion of the principal for a limited time (generally not more than two months) but must still meet Diocesan admission requirements pertaining to the MCH 213G Commonwealth of Virginia School Entrance Form and provide documentation that they are free from communicable tuberculosis.
 - c. Students with a J visa for short-term exchange students will not be accepted into diocesan schools.
 - 6. Any student applicant whose passport, United Nations travel document or other United States Citizenship and Immigration Services (USCIS) documents indicates that the student is a refugee, asylee, parolee, lawful nonimmigrant or legal permanent resident may be admitted to the schools of the Diocese of Arlington under normal requirements for admission. This
-

policy would also include undocumented children.

CLASS PLACEMENT

The principal/administration and faculty reserve the right to place students in a class which is consistent with the results of the student's prior academic records and any admission testing.

ATTENDANCE

DIOCESAN POLICY FOR ATTENDANCE REQUIREMENTS

In order to achieve the goals and objectives of the curriculum, regular attendance by the student is mandatory.

The school (K-8) is normally in session no fewer than 180 days per academic year or the length of time as required by the Virginia Catholic Education Association.

Once a child is enrolled in the school, it is the duty of the teachers and administrators to insist on regular attendance in order that the student can progress successfully through the curriculum. Neither the Diocese, the Office of Catholic Schools, the school, nor any of its employees are, however, responsible for ensuring actual attendance. This is the responsibility of the student's parent(s)/guardian(s).

Students in grades kindergarten through grade eight who miss ten or more days of the school year, whether excused or unexcused, and who have not satisfactorily completed the required work, may be considered for retention. Certification of absence by a physician is an exception to the ten-day limit. However, satisfactory completion of required work is still required.

If efforts to work with a family to improve a student's attendance are unsuccessful, a school should not keep an absentee student enrolled. Relatedly, schools should not continue to collect tuition from a family whose student is not regularly attending school.

ABSENCE/TARDINESS/LEAVING SCHOOL

In order to ensure continuous progress in school, regular attendance and habits of punctuality are essential. The school defines proper procedures as:

- a. A written excuse, explaining the reason for absence and signed by the parent/guardian, must be presented upon a student's return to school.
- b. Persistent absences may cause serious academic problems (including but not limited to course failure) and could result in the dismissal of the student. The administration or the class teacher will normally review the matter with parents/guardians before a decision is made by the administration. Persistent absences may also result in the student being subject to appropriate administrative action.

- c. Except in cases of emergency as determined by the principal/administration and/or a faculty member (as applicable or necessary), a student may only (a) be released from school with the prior written authorization of the student's parent/guardian, or (b) leave the school grounds with the prior authorization from the principal/administration.

TARDINESS

The tardy student will normally be subject to appropriate disciplinary action by the school administration or by the class teacher. A student who is tardy, as determined by local policy, should report to the principal's office or attendance office. A student who arrives late with an excused reason (i.e. doctor's note) is counted tardy. The student who is tardy due to unexcused reasons may be subject to appropriate administrative action. Frequent cases of tardiness should be brought to the attention of the principal so that the parent/guardian may be contacted.

ABSENCES FOR OTHER REASONS

When parents wish to take their student out of school for several days for personal and/or medical reasons, the parents should discuss the student's progress with the teacher. However, the school is under no obligation to provide a tutor, make-up work, or special testing schedules for such a period of absence. The administration has the sole discretion to determine the conditions and terms governing such absences.

ATTENDANCE/REPORTING PROCEDURES

Regular attendance at school contributes to a student's success. When students are absent parents must notify the school office by 8:30 am. A written note from the parent/guardian or a doctor's certificate must be brought to the teacher when the student returns to school. A doctor's note is required for re-admittance to classes if a student misses five consecutive days due to medical absence. The school must be notified at least one week in advance of the planned absence, in writing of family vacations or trips.

The make-up work is the responsibility of the students and their parents/guardians. Assignments can be found on Schoology.

In the event of a personally planned family trip, the school is under no obligation to send work or provide make-up activities.

TARDINESS

Habitual tardiness is a source of embarrassment to a child and will impede academic progress. Classrooms open at 7:45 a.m. All students must be in their classroom ready to begin at 8:00 a.m. In order to enter the classroom after this time, students must be signed in by their parent/guardian through the school office. School drop-off time begins at 7:35 a.m. to 7:55 a.m. The tardy bell will ring at 8:00 a.m. Parents of students who are dropped off at 8:00 a.m. or later, must park, exit the car, and sign their child/children in using the computer in the front office.

MEDICAL EXCUSES

Medical and dental appointments for students should be scheduled outside of school hours when possible. Appointments during school hours require a written note to the classroom teacher and an authorized adult to sign the child out at the school office. A doctor's note is required for a student who misses five consecutive days for medical reasons.

ANTICIPATED ABSENCE

When an absence is anticipated, the parents must submit a written note, at least one week prior to planned absence, to the classroom teacher with an explanation and dates of absence. ***The teacher may, but is not required, to have work prepared for the student to complete during the period of absence;*** otherwise, the student is responsible for requesting make-up work upon returning. Work prepared by the teachers in advance is expected to be completed and returned when the child returns. The student is required to have missed assignments and tests completed within one week of returning from an extended absence, unless otherwise specified by the classroom teachers.

RELEASE OF STUDENTS

All requests for release of students for whatever reason must be made in writing to the classroom teacher ***and*** the school office.

TRANSFERRING TO ANOTHER SCHOOL

IV. GENERAL SCHOOL POLICIES

ADMINISTRATIVE

STUDENT CUSTODY AND GUARDIANSHIP

At the time of school entry or at any other time where a change in custody status/arrangements occurs, it is the responsibility of the parent(s) to provide the principal/administration with a true and correct copy of the legal document for any student for which there is a legal custody agreement or for any student not residing with his/her parent.

School communication with the appropriate guardian is essential. Accordingly:

- a. Custodial parents should identify, in writing, other adults who may have access to information regarding their child.
- b. Non-custodial parents may receive information (when requested) regarding the child unless specific documentation to the contrary is provided in the legal custody agreement.

ACCESS TO RECORDS

Parents/Guardians have a right (unless prohibited by the courts in a custody agreement) to the timely inspection, during school hours, of the educational records (cumulative and confidential) of

their child. The school shall respond to reasonable requests for explanations and interpretations of the records.

If the education records of a student contain information on more than one student, the parents' access is limited to the specific information about their child only.

Student records shall be open to authorized school personnel only (principal, assistant principal, and those to whom they extend access within a given year).

The school administration may elect to provide, at cost, photocopies of a student's educational records to parents, but documentation is to be stamped "unofficial."

TRANSFER OF RECORDS

Schools may disclose a student's cumulative record (i.e. Permanent Record card, attendance card, test results) to another school with legitimate educational interest provided a written request for such records is received, or when those individuals to whom the custodial parent/guardian has given written permission, have requested the child's records to be released. Parent signature is required for release of a student's confidential file (i.e. special education records, psychological reports, disciplinary records, anecdotal information, or reports by the school counselor).

Only copies of student records may be released. Original Cumulative Health Record and MCH-213 transfer with the student.

Parents/guardians may not hand-carry records to another school, except under extraordinary circumstances. If this occurs, the records are to be placed in a sealed envelope and marked "hand carried."

As a general rule, each school, at the discretion of its principal, shall have the right not to certify the student's graduation or provide transcripts of the student's academic record to third parties such as other schools, colleges, or employers, or to issue a Certificate of Diploma to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations, infractions against the school's code of conduct).

CONFIDENTIAL ACADEMIC RECORDS

Parents/guardians are obligated to share educational/psychological testing results and any resulting plan with the school. If a student has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan, and/or Student Assistance Plan (SAP) should be maintained in the student's confidential file. The refusal to provide such information is grounds for terminating enrollment in the school.

Confidential records for dis-enrolled students are merged with the students' cumulative files.

RETENTION OF RECORDS

Permanent record card (to include transcripts, attendance record, and standardized test results) is to be retained indefinitely.

The following student records are to be retained for 25 years:

- a. IEP/ISP or 504 Plan
- b. Student Assistance Plan
- c. Eligibility Minutes
- d. Student Support Team Minutes

The following student records are to be retained for 7 years, or when the students reaches the age of 25, whichever is greater:

- a. Application
- b. Counselor Notes
- c. Discipline Notes
- d. Court Documents
- e. Psychological Reports

SCHOOL VISITORS

All persons other than school staff and currently registered students must first report to the school office immediately upon entering school grounds, sign-in, and wear an identification tag when visiting the school.

SCHOOL COMMUNICATIONS

All materials prepared by parents/guardians for release to the parish or school community must be approved by the principal or his/her designee.

PRINCIPAL'S COMMUNICATION

The Administration strives to be available for parents/guardians who may have questions or concerns. Those parents/guardians who wish to schedule an appointment may do so during the school office hours. The Principal/Assistant Principal will meet only with the parent or legal guardian regarding questions or concerns.

TAKE-HOME COMMUNICATION

All materials prepared by parents/guardians for release to the parish or school community must be approved by the Principal or his/her designee.

School Bulletin notices will be emailed to parents/guardians every week.

ROOM PARENT COMMUNICATION

Parent contact email information will be shared directly with room parents and the PTO board. Room parents and the PTO board members are asked to maintain confidentiality with email contact information. This is done so that room parents and the PTO board members can easily communicate with all families at their respective grade levels. If you do ***not*** wish to have your email information shared with room parents and the PTO board members, please contact administration prior to Labor Day.

TELEPHONE USE/MESSAGES FOR STUDENTS

At times there are appropriate reasons for students to use the school telephone. Students must seek permission from his/her teacher and from the administrative office and state the reason prior to using the telephone. Students may not call home for missing assignments or homework.

Students may not have cell phones in class during the day. It is recommended that phones stay home. If students have them in school, they should be powered off and kept in the backpack. The school is not responsible for lost or damaged phone devices belonging to the students. Phones that are used in school will be confiscated by teachers/staff. They will be returned to the parents/guardian at the end of the school day. Continual misuse of cell phone policy will lead to increased consequences.

INCLEMENT WEATHER/SCHOOL CLOSINGS

In addition to the traditional 180 school days, schools should add at least three extra days to the school calendar each year to accommodate days off due to inclement weather or other non-weather-related emergencies. In the event these inclement weather/emergency days are not used, schools may dismiss for the summer after completing the required 180 school days. If, however, during the course of the year, the school uses more than three inclement weather/emergency days, it is not necessary for the school to extend its school year beyond the 183 budgeted days, provided the school has surpassed 1,038 hours of instructional time (as defined by the Commonwealth of Virginia).

If, during the course of the year, the school uses inclement weather/emergency days, it may be necessary to modify the published school calendar.

If school closes unexpectedly for a single day, there will be no academic requirements for that day. If, however, the school will be closed for an extended period due to, weather, public health, or community concern, the school may transition into virtual instruction for the required duration. These will be count as instructional days.

Saint John the Evangelist Elementary School will follow Fauquier County Public Schools (FCPS) for the first two consecutive school days of inclement weather. Decisions for the Inclement Weather Policy will be reviewed annually to include community feedback via survey.

In the event FCPS closes due to extreme temperature, a decision will be made by the Saint John the Evangelist Administration. All school families will be contacted via the School Messenger System about the decision on the day affected.

School may be delayed for two hours while road conditions improve. The school will operate on a shortened period day to enable all classes to meet during a delayed opening. The school will contact all families using the School Messenger System if school is to be delayed.

MODIFIED SCHEDULE FOR TWO-HOUR DELAY

This schedule is used on late start days Monday-Thursday. If there should be a late start on Friday, we will follow the regular schedule starting at 10:10 a.m. following homeroom.

The Diocesan Superintendent of Schools will publish annually a Diocesan school calendar for the following school year.

PHOTOS AND OTHER MEDIA

Parents/guardians may opt their children out of participating in videotaping, audio recording, school pictures, other photography, or participation involving the Internet. When a parent decides to exercise this right, the school is required to use the Waiver/Right to Object Form (*Appendix N*). All student or parental publications are subject to review and approval by the school administration prior to publication.

MEDIA CENTER

All materials chosen for the media center must be appropriate for students, not only in age level and reading ability, but also for their capacity to foster our students' moral development. All materials shall conform with diocesan policies and guidelines regarding Catholic education.

Parents, guardians or teachers who object to print or multi-media materials used in the classroom must complete an Objection to Content Form (*Appendix K*) after they have read the book or viewed the media and then submit it to the school principal. Those objecting to materials obtained in the school media center should complete Objection to Content Form for Library Materials (*Appendix K-1*). A review committee (to include an Office of Catholic Schools member) will subsequently

discuss the objection and decide the disposition of the challenged material. The parent or teacher initiating the review should be personally notified of the results of the review. The Superintendent of Schools has the final say in any subsequent question of this review.

FIELD TRIPS

Class visits to places of cultural or educational significance enhance the lessons of the classroom. Field trips, virtual or in person, are planned by teachers and approved by the school administration in order to achieve educational objectives. Financial considerations may bear on the feasibility and frequency of field trips.

Field trips are considered an extension of the school day and the code of conduct will apply.

A permission form signed by a student's parent(s)/guardian(s) must be obtained prior to a student participating in each activity (*Appendix R*, available in PowerSchool).

In the event private automobiles/vehicles of students, parents, or other authorized adults of at least 21 years of age are to be utilized to transport students on field trips, the drivers and/or the vehicle owners must have a valid driver's license and sufficient liability, medical, and uninsured motorist insurance coverage as defined by the Diocesan Risk Manager. Evidence to this effect must be presented to the principal/administration for review and approval prior to the use of such vehicles. Appendix R-1 must be used for this purpose. The principal/administration shall have the right to prohibit, for any reason, a proposed driver from transporting students on a field trip.

Youth weighing less than 100 pounds may not be seated in the front seat.

Cell calls and texting are not permitted while driving.

Parents/guardians are to be furnished with detailed written information about the field trip and must be given the opportunity to "opt out" their children from the field trip.

Teachers and other school employees should not drive students in their personal vehicles.

It should be understood, in rare instances, world conditions and specifically threats of terrorism against Americans may necessitate the cancellation of school-sponsored trips.

School-sponsored ski trips are not permitted.

Alcohol shall NEVER be served to minors, regardless of cultural norms and/or parent permission while on a field trip.

All medications given on field trips must comply with medication administration policies. For a student with prescription medication and/or medically necessary health related procedures or treatments, a trained individual needs to be present on the field trip such as" a school nurse, parent/guardian, or designated family member to ensure care in the case of an emergency. If a trained individual of the school is unable to chaperone the student on a field trip, it is the

responsibility of the parent to provide a trained individual to accompany the student.

Saint John the Evangelist School encourages up to two field trips per school year; ideally one in the fall and one in the spring. Each class will have a minimum of one field trip per year, organized by the homeroom teacher.

OVERNIGHT TRIPS

Overnight trips are not permitted for elementary school children.

MARCH FOR LIFE POLICY

Students are offered varied opportunities to participate in activities that promote the sanctity of life.

Principals may permit students in grades 7 and 8, with permission of their parent/guardian, to participate in the March for Life in a group sponsored by the school or the parish. Procedures detailed under “School-Sponsored Trips” must be followed. The principal is not authorized to permit students in grades K through 6 to participate as a group in the March for Life. Students with written parental permission may accompany their parents on the March for Life.

Students who accompany parents on the March for Life should not be marked as absent for that day. From time-to-time it has been the case that world or local events raise concern about the advisability of school-sponsored student participation in the March for Life and related events. When this happens, principals should use prudent judgment when deciding on attending the March and should consider appropriate alternatives that can be conducted at the school level.

GRADUATION REQUIREMENTS/CEREMONIES

Students must earn their certificate of completion. The school does not guarantee the award of this certificate to students. In order to graduate, students must satisfactorily complete (by attaining a passing grade) all courses as required by the Diocese of Arlington and the Commonwealth of Virginia. In addition, students must comply with all school regulations and policies.

The principal shall have the right to withhold certification of a student’s graduation or provide transcripts of the student’s academic record to other schools, or to issue a Certificate of Completion to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations or infractions against the school’s code of conduct).

Graduation ceremonies should be simple and dignified.

The Liturgy is highly recommended. Certificates signifying completion of studies may be given upon completion of 8th grade.

Beginning in the spring of 2026, 8th grade graduation will take place during school hours. The graduation ceremony will begin with a school-wide liturgy starting at 1:00 p.m.

PARENT ORGANIZATIONS

Parent-Teacher Organizations (and like-named entities) support the critical relationship between schools and parents, the primary educators of their children. These organizations support the principal to advance the school's mission.

Every school should have an effective Parent-Teacher Organization. It can help mobilize the parent community regarding legislative proposals impacting Catholic education. The work of PTOs and like organizations shall be guided by the PTO Handbook and the direction of the pastor and principal.

All parent organization activities and all materials prepared by parents for release to the Parish or school community must be submitted to the principal or designee for approval prior to implementation and/or distribution.

All PTO monies must be deposited in the parish or school account as designated by the pastor. In consultation with the principal, the PTO officers should prepare a budget and submit it to the pastor and principal for approval.

PTOs shall have by-laws which establish, among other things, term limits for officers as well as the organization of committees. Persons nominated to serve as a PTO board member must receive the approval of the pastor and principal.

Persons nominated to serve as a PTO board member must receive the approval of the pastor and principal.

Every school should have an effective Parent-Teacher Organization. An effective Parent-Teacher Organization helps the principal advance the school's mission. It can also help mobilize the parent community regarding legislative proposals impacting Catholic education.

The parent organization should strive:

1. to serve in an advisory capacity to support the principal/administration;
2. to provide a means by which parents can respectfully articulate their values and expectations regarding the school so that these can be examined and addressed by the principal/administration;
3. to support and promote quality Catholic education at the school;
4. to encourage Catholic values of family life;
5. to share with teachers the values that parents are attempting to develop with their children at home;
6. to acquaint parents with up-to-date information concerning current developments in educational initiatives as they may affect the school so that they can be in a better position to promote the legitimate rights of their children;
7. to unify parents in an effort to raise funds each year for the school.

PTO Board Meetings will be for PTO Board members only. A General Meeting would be open to all

Saint John the Evangelist School parents.

This year, our PTO is focused on cultivating a warm and welcoming community amongst our Preschool and Elementary families - one that truly feels like family. We believe that when families, teachers, and staff come together in partnership, our students thrive! Our goal is to support the school through collaboration, and shared efforts that benefit every child and classroom.

In the spirit of community and shared responsibility, we are asking each family to contribute **10 hours** of community service to the school throughout the year. Your service to the school can take many forms, including:

- Volunteering at school events
- Donating items needed for activities or classroom use
- Assisting teachers and staff with projects
- Helping out in classrooms or around campus

We understand that every family's availability and capacity are different, so we are committed to offering a wide variety of opportunities to get involved, whether on campus or from home. We will also make available a service hours tracking site to record and track each family's participation. Parents who are already on staff at the school, as well as room mom volunteers will be exempt from tracking their service hours as they are already serving our community daily.

To better align our efforts with the school's actual needs, we will be sharing a list of specific items and support requests directly from our teachers and staff. These will guide both our community service opportunities and our fundraising efforts for the year. We want every dollar raised and every hour volunteered to directly impact the areas that matter most to our students and educators.

Parents who participate on the PTO, as room parents, as event chairs/sub-chairs, and as faculty members are exempt from submitting service hours, as their hours in these roles far exceed the minimum requirement.

FUNDRAISING

Any program of generating additional revenue should have the approval of school leadership (pastor, principal, head of school). These activities should be organized and executed so that the school program is not interrupted.

Students may participate in, and cooperate with, worthy collections and fundraising projects conducted by a school or parish, provided such activities have been approved by the school leadership (pastor, principal, head of school).

TRANSPORTATION/PARKING

Saint John the Evangelist Catholic School does not have a bus service available. Student transportation is by car, carpool, or other arrangements made by parents. Parents in the carpool line/parish grounds should use extreme caution and drive slowly when entering and exiting campus at any time. Please note that during morning or afternoon carpool, if cars are backing onto the street, carpool monitors might ask parents to change lanes. In the morning, please do not drop your child off before they pass the access driveway. Students should exit onto the sidewalk.

Morning Drop Off:

1. Enter the school grounds from John E. Mann Street. It is highly recommended that families enter from the lower part of John E. Mann Street allowing for right-handed turns. Left-handed turns may be restricted during morning drop off times.
2. Pull up in front of the school building proceeding to top of the drive.
3. Children should only exit the side of the car closest to the school building.
4. Proceed cautiously and exit onto Winchester Street.
5. Driving through the lower parking lot is prohibited and dangerous.

Afternoon Dismissal:

1. Enter the school grounds from Winchester Street.
2. Proceed down the hill forming four lines and wait facing John E. Mann Street.
3. Please keep in mind which direction you will turn onto John E. Mann Street when choosing a lane.
4. If planning to turn left onto John E. Mann Street, the traffic pattern at the top of the hill is as follows, proceed cautiously down the back aisle in the church parking lot around the loop in front of the Preschool and back to the hill to proceed down. Form two lanes using the fire lane and the left-center lane.
5. If planning to turn right onto John E. Mann Street, the traffic pattern is as follows, proceed cautiously down the front aisle of the church parking lot and turn down the hill. Form two lanes using the fire lane inside the lower parking lot and the right center lane.
6. If your vehicle does not fit in the fire lane completely, please use the center lane to avoid blocking access to the center lane.

The school issues each new family two name/number placards. Only the new name/number placards will be honored at the carpool lanes. Name/number placards should be visible in your windshield for pickup. If the name placard is not available, you will be asked to provide your name, picture ID, and to sign the child out.

At both arrival and dismissal times, adults who are picking up students are asked to refrain from using cell phones in the carpool line. **Also, to expedite the pick-up, parents driving their children are asked to remain in their vehicles.** Student buddies will help kindergarten students find their cars/parents. Parents picking up by foot are asked to wait under the overhang with their name/number placard. This policy is for the safety of each child. It is important that it is followed.

Parents with preschoolers are asked to pick up their preschool students at the Preschool prior to entering the elementary carpool line. This will help to expedite carpool.

V. FINANCES

DIOCESE OF ARLINGTON TUITION ASSISTANCE PROGRAM

APPLICATION PROCESS & REQUIREMENTS

All school families participating in the program must submit the same application form (available in English and Spanish) along with all supporting tax documents as required and a processing fee payable to the private vendor.

To be eligible to receive funds from this program, students must satisfy all of the criteria described below:

- a. Student is a baptized Catholic or convert officially received into the Church.
- b. Family resides within the boundaries of the Diocese of Arlington.
- c. Family is registered and an active member of the parish.
- d. Student attends, or is accepted by, a Catholic school in the Diocese of Arlington.

The deadline for submitting applications to the contracted vendor is determined annually. Applications received after the stated due date will be considered for tuition assistance if funds are still available.

Although students from families residing on local military bases are not domiciled in a Diocesan parish, those students are eligible for the Diocese of Arlington Tuition Assistance Program.

The funds from the program will be paid directly to the school that the qualifying student attends. Schools will credit the tuition accounts for those families who have been approved to receive aid for that school year.

SCHOOL TUITION POLICIES

A family's tuition obligation continues even if the school shifts to a virtual model. The education of each student continues with teachers planning and delivering lessons and assessing student progress. Report cards will be distributed at the end of each grading period. If a parent/guardian cannot make the regular tuition payment, the principal should be notified as soon as possible to create a payment plan.

Each year the parish Finance Committee sets the tuition for the following school year. FACTS

Tuition Management Program collects tuition for the school. You will receive an invite from FACTS with information necessary to enroll. Included in the invite will be the website you will need to access your tuition payment plan. Several payments plans are available. Please check your FACTS information for accuracy, and contact the parish Finance Manager, with any discrepancies. The Finance Manager can be reached at 540-347-2922 ext. 204.

Tuition is an annual commitment. Prior to enrollment, a decision must be made to pay all tuition in full or determine a payment plan through the FACTS Management Program.

When a family commits to enrollment at Saint John the Evangelist School, they are committing to payment for the full school year. All registered families are obligated for payment of tuition for the remainder of the year, regardless of disenrollment.

Saint John the Evangelist School operates using a continuous enrollment policy. The Continuous Enrollment begins with the signed Tuition and Continuous Enrollment Agreement and thereafter continues automatically through the completion of the eighth grade or, if necessary, until official opt-out/withdrawal procedures are completed. Parents have until the end of January to notify the Admissions Office, in writing, of any changes in enrollment plans for their children by completing and submitting an **Opt-Out/Withdrawal Form**. Barring extenuating circumstances (moving out of state, job loss, death in a family, medical emergency, etc.), families are expected to pay tuition in full for the next school year if Opt-Out/Withdrawal Forms are not submitted by the deadline announced. Families with extenuating circumstances will have their situation reviewed on an individual basis in conjunction with the parish office. Once notice is given for withdrawal, families choosing to return to the school must go through the formal application and enrollment process.

VI. CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES

PARTICIPATION

In order for sportsmanship to be rooted in Catholic values, it is expected that coaches, athletes, and fans display respect, civility, and responsibility in words and actions before, during, and after all athletic contests and/or practices. These policies are developed to assist the schools in accomplishing

their goal of providing a Catholic education which is rooted in the teachings of the Catholic faith, especially the practice of respect for each person. The policies outlined in this section exist to ensure good sportsmanship and fair play.

Participation in co-curricular and extracurricular activities is a privilege, not a right. Students who successfully meet the school's academic requirements and adhere to the code of conduct may participate in co-curricular and extracurricular activities. At Saint John the Evangelist School, students with two or more Fs are ineligible to participate in practices or games until their grades are in good standing. CYO fees are non-refundable should a student become ineligible.

When possible, separate athletic teams will be offered for each sex. Young people will participate on teams consistent with their biological sex and may not participate on teams offered for the other sex. When (for example, in swimming or track) a team may include both sexes, individuals will participate in events consistent with their biological sex. In the case of golf, if separate male and female teams are not offered, members of both sexes may participate together on a single team in the same events. Girls are not allowed to participate in boys football and/or wrestling activities. Male wrestlers may not compete with female wrestlers from other schools at any time.

Students participating in school-sponsored team athletic activities must have proof of an annual physical. Submission of a pre-sport participation physical examination form and consent form for elementary- and middle school-based athletic program participation is required, excluding parish CYO.

TRANSPORTATION OF ATHLETES

Students participating in a school-sponsored sport who wish to travel to and from practice and games in a privately owned vehicle must have a written permission from their parent/guardian.

Although CYO athletic teams are separate and distinct from parish/school activities, the pastor/principal retains the right of possible intervention by the school in the event a significant incident would bring the reputation of the parish and/or school into question within the community.

SUPERVISION OF STUDENTS

The school is not responsible for providing supervision for students who remain on school property after the conclusion of the instructional day, unless the student is enrolled in an extended day/after care program, or participating in a school-sponsored activity (such as athletics or theater).

VII. STUDENT RESPONSIBILITIES & BEHAVIOR

CODE OF CONDUCT

In all areas of learning, discipline must be considered in the development of the whole person. The Code of Conduct is based on the Gospel message of Jesus. Growth in self-discipline, a responsibility for Catholic moral values and a loving respect for the rights of all persons is encouraged and nourished by the Code of Conduct. To achieve these ends, parents/guardians, faculty, and students work together to create a Catholic school environment. These basic components include:

- a. Teachers have a right to teach. No student will stop the teacher from teaching.
- b. Students have a right to learn. No student will stop another student from learning.

Based upon the Catholic moral values and loving respect for others taught by Jesus, students:

- a. will be honest and committed to integrity.
- b. will be respectful and courteous toward all teachers and adults.
- c. will refrain from harassment of any kind.
- d. will use appropriate language.
- e. will speak respectfully to and about others.
- f. will complete all assignments and participate fully in class.
- g. will respect all school and personal property (see *Care of School Property*).
- h. will refrain from any deliberate disruption in the school.
- i. will adhere to the school's cell phone policy.
- j. will comply with the Responsible Use Policy for Technology and Artificial Intelligence.
- k. will demonstrate good sportsmanship when engaged in all school-sponsored co- and extracurricular activities.
- l. will be present for all required activities unless officially excused by the administration.
- m. will adhere to the dress code (see *Dress Code*).
- n. will not give or receive unauthorized assistance on tests, quizzes, or assignments.
- o. will not leave school grounds during the school day for any reason without permission from the principal/administration.
- p. will not bring to school, nor possess at school, any real or toy knives, guns (or any facsimile thereof), sharp objects that may be used as a weapon, matches, lighters, sparklers, laser devices, or any facsimile thereof. It is understood if this term is violated, suspension, or expulsion may result (see *Substance Abuse/Weapons and Inappropriate Materials*).
- q. will maintain, and support others who maintain, a safe and drug-free environment at,

- or near, school and at all school-sponsored functions/activities with the understanding that possession or distribution of alcohol, drugs, tobacco, or any other substance that may be harmful or dangerous and forbidden, to include drug paraphernalia, will result in suspension or expulsion from school (see also *Substance Abuse/Weapons*).
- r. will not engage in any physical or verbal contact with another student which could be interpreted to be an inappropriate display of affection. Such conduct is prohibited on school grounds or at school-sponsored activities.
 - s. will, at all times, whether at school or in the community, conduct themselves in a manner which reflects the Catholic values and principles of the school.

All of the conduct expectations include student use of the internet.

The school observes this Code of Conduct because it is built on fundamental Catholic social teachings. The role of the principal/administration, staff, and faculty is to work with the students and parents/guardians to assist the students in developing a strong Christian attitude toward life.

RESTROOM USE AND CARE

Restrooms are designated for students or staff. Boy students should use the designated boys' restrooms located in the main hallway and in Trinity Hall. Girls should use the designated girls' restrooms in the main hallway and in Trinity Hall. Adult visitors should use the bathroom in the office complex. Staff members may use the restrooms in the office complex or the teachers' workroom.

Bathrooms should be treated with respect. Every effort should be made to keep the restrooms clean. Used paper towels should be properly disposed into the trash receptacles. Writing on the walls or stalls is prohibited. Students should not bring writing utensils into the restrooms. Cell phones should not be used in the restrooms at any time.

SUBSTANCE ABUSE/WEAPONS

The school makes every effort to make students aware of the dangers and consequences of the unlawful use of substances.

It is unlawful for any person to manufacture, sell, distribute, or possess with intent to sell, give, or distribute any controlled substance, imitation controlled substance, or marijuana while upon the property of the school; on any school bus; upon any public property or any property open to the public use within 1,000 feet of the school (or any school bus stop when students are waiting to be picked up and transported to or are being dropped off from school or a school-sponsored activity). If a student knows or suspects that any of the foregoing activities are occurring, he/she must immediately report the matter to the school administration/faculty so the appropriate law enforcement agency may be contacted.

If a student is suspected or is discovered to have (a) violated the foregoing policy with respect to any controlled substance, imitation controlled substance or marijuana or (b) used, possessed or distributed alcohol, tobacco, or e-liquids while upon the property of the school; on any school bus; upon public property or any property open to the public use within 1,000 feet of the school (or any school bus stop when students are waiting to be picked up and transported to or are being dropped off from school or a school-sponsored activity), the student will be subject to disciplinary action, up to and including expulsion. In the event school officials believe that a student is under the influence of an illegal substance, the parents/guardians will be notified, and the student will be removed from class. School officials reserve the right to require that the student be taken for drug testing within 24 hours and that the results of the testing be shared with the appropriate school officials. If a violation of the law has occurred, the proper law enforcement agency will be contacted.

A student shall not possess or use drug paraphernalia, including, but not limited to: e-cigarette delivery devices, e-cigarette accessories, vaping devices, water pipes, cigarette paper rolling machines, and miniature scales on the property of the school, on any school bus and/or at any school-sponsored activity, whether discovered in an authorized search of his or her private property or on school property (e.g., lockers). Any student who violates this provision will be subject to disciplinary action up to and including expulsion.

A student shall not possess, use, or threaten to use on the property of the school, on any school bus; and/or at any school sponsored activity, any weapons (including but not limited to any pistols, revolvers, rifles or other firearms, stun weapons, tasers, knives, flailing instruments [which may sometimes be known as nunchucks or fighting chains], sling shot, metal knuckles, any type of pointed metal throwing disk or dart, mace, pepper spray, or other similar propellant or any type of explosive, incendiary or poison gas, bomb, grenade or rocket) or any facsimiles thereof, or any object that can be used with the intent of threatening or harming an individual (such as handcuffs or toy weapons), except when expressly authorized by a member of the school administration/faculty for authorized school purposes (such as knives for use only in food preparation activities in family life/home economics class; chemicals solely for use in instructional lessons as part of the school's academic curriculum; etc.). Any student who violates this provision will be subject to disciplinary action up to and including expulsion. If there is reason to believe a violation of law has occurred, parents as well as the proper law enforcement agency, will be immediately contacted.

The Diocese of Arlington is committed to providing a safe environment that allows students to develop and prosper academically, physically, and spiritually, consistent with Catholic teachings and principles. When a student has expressed to another student or adult, that he/she wants to harm or kill another individual, do harm to the school, mentions weapons, etc., it is the responsibility of the school leadership to investigate this further. A behavioral threat assessment will be conducted. In consultation with the Diocese, it will normally be the case that the non-emergency police line in the school's jurisdiction will be notified when threats are made.

DISCIPLINE

Because it is impossible to foresee all problems which arise, this handbook empowers the faculty

and administration to take disciplinary action for any behavior (within or outside of the school community) which violates the spirit, philosophy, and code of conduct of the school, even though not specified.

In justice to the other students, circumstances may dictate that a student be removed temporarily or permanently from the particular school setting.

USE OF DISCIPLINARY ACTION

In cases where a student is continually disruptive of others or in the case of a single serious disciplinary infraction, the teacher will apprise the principal/administration of the situation. They will assist in the development of a course of action to be taken to correct the situation.

Students who lack self-discipline or who violate the rights of others can expect disciplinary action. Each offense will be dealt with on an individual basis according to the age of the student, the nature of the infraction, and the severity of the case. Repeated infractions can result in more serious consequences, up to and including suspension and/or expulsion, but there is no requirement for progressive discipline.

DISCIPLINARY MEASURES

The following are some approved disciplinary measures:

- a. Counseling and/or conference with the student and family
- b. Assignment of special tasks
- c. Denial of privileges
- d. Detention
- e. Probation
- f. Suspension
- g. Expulsion

SPECIFIC DISCIPLINARY POLICIES

When necessary, teachers have the ability to issue referrals for inappropriate behavior. Teachers have the option to discuss the behavior privately or, if warranted, refer the student to office immediately. Referrals sent home must be acknowledged by the parent/guardian with a signature and returned to the main office the following school day.

DETENTION

Saint John the Evangelist School encourages positive behavior and responsibility both socially and academically. When a student is unable to fulfill these expectations, as a consequence, lunch detention may be issued. The school will offer a Middle School Detention Room, proctored by

staff, during lunch and recess. Students with behavior referrals and/or missing work habitually may be assigned detention for the following school day. Parents/Guardians will be notified by the teacher/staff assigning the referral and/or detention. Detention includes eating a silent lunch. When lunch is finished, they will have the opportunity to complete schoolwork or reflect on the Code of Conduct in light of their choices for which they received this consequence. Detention ends at the conclusion of recess. Detention is not optional, students who have not been given assigned detention may not hang-out in the room. This time may be used to conference with students regarding their behavior. It is the student's responsibility to report to detention in a timely manner. Failure by a student to report may result in additional disciplinary consequences.

SUSPENSION

Suspension may be imposed as determined by the principal/administration. Once the principal/administration suspends a student, parents/guardians may be required to sign a behavioral contract in which they signify their understanding of the problem and agree to work with the school in correcting the situation.

The failure of the parents to execute the above referenced agreement shall preclude the student from returning to the regular instructional program. This policy applies to in-house and out-of-school suspensions.

When serving a suspension no participation in school functions/activities is permitted.

EXPULSION

Expulsion may be resorted to when one or all of the following are present:

- a. a serious infraction of school rules occurs;
- b. the student has demonstrated continuing disregard of school rules for which other means of discipline have proven ineffectual;
- c. the student's continued presence in the school is considered by school officials to be a serious hindrance to the safety or welfare of the school community;
- d. a parent/guardian repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students or displays disrespectful, disruptive, or harassing behavior toward teachers, school, parish, or diocesan staff.

If the principal/administration believes it necessary to expel a student, the principal/administration will notify the student and the student's parents about the student's action and provide them with an opportunity to respond in accordance with the school's disciplinary hearing process before making any final decision on the matter.

A parent/guardian whose child is expelled may appeal this decision in writing to the Superintendent of Schools within 5 working days from the time of written notification.

During the pendency of any appeal, the expelled student shall be removed from the school community in compliance with the expulsion notice unless otherwise directed at the discretion of the principal/administration.

Students who have been expelled from any Diocesan school may not apply for admission to that school or another Diocesan school for a minimum of one (1) year from the date of expulsion.

STUDENT REGULATIONS AND PROCEDURES

Privacy of individual students must be balanced against the need to protect the health, welfare, and safety of other members of the school community.

STUDENTS AND STUDENT PROPERTY SEARCHES

The principal/administration or his/her designee has the right to protect the health, welfare, and safety of school patrons against drugs, weapons, unauthorized publications, and other contraband materials. Search of a student's person and/or personal property on school property (e.g. automobiles, etc.) or at school activities may be conducted by the school principal/administration or other designated officials. It is only necessary that a search be reasonable and related to the school rights in these regards. The failure of a student to voluntarily submit to a search shall be presumptive evidence of the existence of contraband and grounds for appropriate disciplinary action.

INTERROGATION OF STUDENTS

Unless provided with a court-issued warrant, the head of school or principal and the Office of Catholic Schools must first be consulted before law enforcement authorities are allowed to speak to any student about alleged illegal activities. This policy does not apply to Child Protective Services (CPS) officers, who are by law entitled to interview children.

The questioning by police officers of students in school or on school grounds about alleged illegal activities shall meet the following conditions:

- a. The principal, the assistant principal, or the principal's designee shall be alerted.
- b. The police officers shall report to the principal's office.
- c. Permission from the student's parent/guardian must be acquired, either by phone or in person, prior to questioning.
- d. The principal or a school representative shall be present.
- e. The questioning shall be conducted in a private room where participants cannot be seen or heard by students and/or other school personnel.

The police officers may take legal actions that they deem necessary.

STUDENTS AND STUDENT PROPERTY

Students are solely responsible for their own personal property. The school accepts no responsibility for items left unattended in the common areas of the school. It is the responsibility of the student to turn in wallets, watches, and other valuables to the physical education teacher/coach when participating in athletic events away from school. Items of personal property or clothing not directly related to academic or athletic events sponsored by the school should not be brought to school.

SCHOOL LOCKERS AND DESKS

Lockers and desks are school property and are subject to searches by school authorities to protect the safety of all. A student to whom a locker or desk has been assigned, has *vis-a-vis* other students, exclusive use of the locker or desk but has no proprietary rights versus the school.

The school lockers should be treated with respect as if they are new. No stickers should be placed on them or in them. Each student is responsible for the condition of their assigned locker(s). Locks are assigned to each student and should be returned in original condition at the end of the school year. Any lock not returned at the end of the school year will result in a \$5 fee charged to the student.

CARE OF SCHOOL PROPERTY

Students are to care for school property in a respectful manner. Students who deface or damage school property or the property of others will make financial restitution. If library books are not returned, students will be assessed an amount equal to the value of the book or its replacement, whichever is greater, as determined by the principal/administration.

DRESS CODE

The dress code provides a standard for our students, which fosters an environment conducive to learning and respectful behavior.

Final decisions regarding the school uniform and dress code rest with the principal/administration.

School uniforms are to be worn with pride and according to school regulations. Saint John the Evangelist students are expected to follow rules of good grooming and modesty.  - Heat index of **130 or higher** is *extremely dangerous*. Heat stroke is highly likely with continued exposure.
 - Heat index of **105-129** is *dangerous*. Heat stroke, heat cramps or heat exhaustion is likely; heat stroke is possible with prolonged exposure and/ or physical activity.
 - Heat index of **90 – 104** requires *extreme caution*. Heat stroke, heat cramps and heat exhaustion are possible with prolonged exposure and/or physical activity.
 - Heat index of **80 – 89** requires *caution*. Fatigue is possible with prolonged exposure and or physical activity.
- **Heat Cramps** - may occur after prolonged exposure to heat. They are the painful intermittent spasms of the abdomen and other voluntary muscles.
- **Heat Exhaustion** - may result from physical exertion in hot environments. Symptoms may include profuse sweating, weakness, pale skin, rapid pulse, dizziness, nausea, headache, vomiting, and unconsciousness. The skin is cool and clammy with sweat. Body temperature may be normal or subnormal.
- **Heat Stroke** - is a serious medical condition that urgently requires medical attention. Sweating is diminished or absent, which makes the skin hot and dry. Body temperature is very high (106 degrees F. and rising), and if uncontrolled, may lead to delirium, convulsions, coma, and even death.

LUNCHROOM REGULATIONS

Given the risk of potential harm, students' access and use of microwave ovens is prohibited in grades preschool through grade 5. Student meals provided by parents/guardians must not be heated in microwave ovens by school personnel and/or school volunteers.

The school administration can determine if middle school students may use a microwave oven.

Students are under the supervision of teachers, teacher assistants, and volunteers. Students are expected to talk quietly, using proper manners and remain seated at their assigned table. No running is permitted. Students are expected to clean up their own area. During lunch, cooperation is required by the students to maintain order and to keep the area clean for others.

- Always enter and exit quietly.

- Collect lunch box, napkins, and materials before being seated.
- Once seated students must remain in their seats.
- Students may not save seats for others or move others' lunch boxes.
- For safety reasons, please do not share or trade food.
- If you have a question or need help you must raise your hand.
- Raise your hand and ask to use the restroom.
- Always use indoor voices. No shouting.
- Students will recite **Grace After Meals** before dismissal from lunchroom.
- Wait to dispose of trash and to put away lunch boxes until your table is dismissed.
- Students are responsible for their table areas. They should make sure that the table and floor areas are clean and free of trash or debris. Students will wipe tables as assigned.
- Students who have duty should do so promptly without reminders.
- Once in line, stay in your spot with eyes forward and use indoor voices.
- When the teacher(s) arrive, all voices are quiet. Walk quietly through the halls with hands at your side.
- Please refrain from touching the walls inside the building.

VIII. HEALTH, SAFETY, & WELFARE

STUDENT HEALTH, SAFETY, & WELFARE

Parents/guardians have the primary responsibility for the health and well-being of their children. School health services supplement, rather than substitute, for parental care and concern for the health of the students.

PREVENTION OF SEXUAL MISCONDUCT AND/OR CHILD ABUSE

The Catholic Diocese of Arlington Policy on the Prevention of Sexual Misconduct and/or Child Abuse generally applies to all clergy, all employees, and all volunteers.

It is the policy of the Diocese that sexual misconduct and/or child abuse while performing any work or activity under the auspices of the Diocese is contrary to Christian principles and outside the scope of any authority, duties, and/or employment of any clergy, employee, or volunteer.

Virginia law imposes upon school personnel the legal responsibility of reporting to the local child protective services agency any incident of suspected child abuse or neglect.

School personnel who suspect the abuse or neglect of a student must report the matter directly to Child Protective Services and to the school principal (who in turn will call the Vicar General). The school principal should complete Attachment B found in Appendix G, which must be sent to the Vicar General. The school principal must inform the superintendent as well.

In accordance with the *Code of Virginia*, (Section 63.2–118, “Any person required to make a report or conduct an investigation or family assessment, pursuant to this chapter may talk to any child suspected of being abused or neglected or to any of his siblings without consent of and outside the

presence of his parent/guardian, legal custodian, or other person standing in *loco parentis* or school personnel.”

WELLNESS POLICY

The Diocese of Arlington Office of Catholic Schools Wellness Policy meets minimum federal standards and establishes goals for physical education, nutrition, and healthy environments in schools. All schools must develop, and continue to evaluate, local school wellness policies. The local policies create a framework for increased student activity, staff wellness, safe and healthy environments, and the elimination of foods of minimal nutritional value during the school day. All schools have wellness committees to implement, sustain, and evaluate the local wellness program.

STUDENTS WITH SUICIDAL IDEATION

The Diocese of Arlington is committed to providing a safe environment that allows students to develop and prosper academically, physically, and spiritually, consistent with Catholic teachings and principles. When a student has expressed to any adult, that he/she wants to harm or kill him/herself, it is the responsibility of that adult, school counselor, school nurse or administrator to investigate this further. The school may require documentation and information regarding the threat to self and request accommodations that may impact their academics or social interactions while at school.

ACCIDENTS AND FIRST AID

The parents/guardians of an injured student will be notified of the accident/injury by the principal/administration or the principal/administration’s designee as soon as reasonably possible, taking into consideration such factors as the apparent severity of the accident/injury and the priority of providing assistance to the student.

If an incident results in a medical condition or injury which can be reasonably known to the appropriate supervisory faculty/staff member and/or the principal, the school and/or its staff are authorized to render reasonable basic first aid if such direct medical assistance would, in the opinion of the school, serve to minimize the severity of the injured person’s condition. As an example, staff should initially resort to using only ice, band aids, soap and water when treating cuts and/or scrapes to avoid any possible known or unknown allergic reactions to salves or creams. In addition, staff may secure a professional diagnosis and/or treatment if such action, in the opinion of the school, appears to be reasonably warranted. The school and school officials shall be expressly held harmless from any liability costs or expenses associated with the professional diagnosis and/or any treatment or first aid provided (including but not limited to the cost of transportation), such costs or expenses being the responsibility of the injured party or, if a student, the student’s parents.

AIR QUALITY AND PREVENTION OF HEAT/COLD RELATED ILLNESS

When students and activities require time outside, schools will monitor weather related to the “feels like” temperature. To prevent heat and/or cold related illness, outside activities may be restricted based upon a heat index or wind chill factor, which registers in the caution level. Schools

will consult local weather reports and Appendix F-15 for guidance in outdoor activities. Schools that do not have air-conditioned classrooms are permitted to provide early dismissals in accordance with Appendix F-15.

GENERAL ILLNESS PROCEDURES

Each school will provide a health office or comfortable space, apart from the student population, where children who become ill or injured can be cared for following *Virginia School Health Guidelines*.

Students with fevers and/or contagious or infectious diseases will be sent home promptly and will be excluded from school while in that condition, according to the Virginia Department of Health regulations. Once a child is determined to need to go home, a parent or guardian must pick up their child from school within a reasonable amount of time to control the spread of illness. If parent or guardian is not available, the emergency contact will be called. Once the student is confirmed to be free of communicable illness by a health care provider or is fever free/symptom free for 24 hours without taking anti-fever and/or anti-nausea medications, the student may return to school. This policy also applies to resuming after-school and extracurricular activities.

When a student is requesting a waiver from participating in Physical Education classes and/or recess, parents are required to submit a written statement from their child's physician which states any activity restrictions with regard to participation in Physical Education classes and/or recess. The statement is expected to include a specific time frame for the activity restrictions.

School Sick Day Policies & Guidelines 2025-2026

The most important way to help stop the spread of infectious illness is to stay home when sick.

According to school policy, a person should stay home when:

- A temperature of 100.4 or higher is present
- Vomiting and/or diarrhea has occurred in a 24-hour period
- The occurrence of excessive and constant coughing or sneezing and/or nasal congestion as often this spreads sickness to others.
- A child has symptoms that will keep them from participating in learning, such as:
 - Very tired
 - Lack of appetite
 - Uncontrollable cough
 - Frequent Sneezing
 - Headaches
 - Body aches
 - Earaches
 - Severe/Bad sore throat - should be assessed for strep throat.
- A doctor's note is required for a student who misses five consecutive days for medical reasons.

24 Hour Rule

- Fever - attendance at school is not permitted until a symptomatic person has been without fever for 24 hours without medications to lower fever, such as ibuprofen or acetaminophen.
- Vomiting/Diarrhea – attendance at school is not permitted until a person has been without vomiting (at least 3 times in 24 hour period defines vomiting) or diarrhea for 24 hours without medications such as Imodium
- Antibiotics – attendance at school is not permitted when being treated with an antibiotic until at least 24 hours of the medication has been received.

Influenza and Covid Illnesses

Individuals with suspected or confirmed flu and/or Covid, including those who do not have a fever, should stay home at least 4-5 days after the onset of symptoms. Persons with the flu are most contagious during the first three days of illness. (CDC Influenza guidelines, 8/2020). Please refer to the CDC for more information.

PLEASE NOTE: NO MATTER THE SEVERITY OF SYMPTOMS, IT IS AT THE DISCRETION OF THE SCHOOL NURSE AND/OR ADMINISTRATION IF A STUDENT WILL NEED TO BE SENT HOME OR EXCLUDED FROM THE SCHOOL ENVIRONMENT DUE TO ILLNESS.

MEDICATION ADMINISTRATION OVERVIEW

All school clinic, administrators, and staff are required to administer medication within the framework of the procedures outlined in diocesan policy and summarized here.

All prescription and over the counter (OTC) medications may be administered during the school day under the following conditions:

- a. When the need for administration of medicines during school hours has been confirmed by the school nurse/health assistant (or the school administration);
- b. After the first dose of any medication has been given at home;
- c. When the parent/guardian provides and transports the medication to and from school and the medication is given directly to the school nurse/health assistant or a senior member of the school administration;
- d. When there is a licensed health care provider's written order signed by the parent/guardian requesting the school administer the medication or to permit the student to self-administer the medication;
- e. When the medication is brought to the school in its original container stating the name of the student, the dosage and method of administration prescribed by a licensed health-care provider. It is the parent's or guardian's responsibility to notify the school of any changes to the original prescription. The new prescription must also be brought to the school in the original container as stated above;
- f. When the appropriate medication authorization form (*Appendix F-6*) has been completed,

signed by the parent/guardian and accompanies the medication;

- g. For any medication, parents must document the number of tablets or dosages to be secured for administration by authorized school personnel. If tablets are to be divided, the parent or guardian is responsible for dividing the tablets in order to achieve their child's proper dosage.
- h. Herbal and homeopathic medications will not be given in Diocesan schools without written authorization by a LHCP that shall include desired and adverse effects. Protein supplements will not be administered unless directly requested by a physician with a health treatment plan.
- i. Students should not attend school while taking prescribed Schedule II narcotics (e.g. Percocet, oxycodone, hydromorphone) for any legitimate reason. If a student needs a Schedule II narcotic analgesic, they shall remain home until they are able to control pain with OTC medications.
- j. Benzodiazepines (e.g. klonopin, Ativan, diazepam) prescribed as needed (prn), should not be administered in any school setting. This does not apply to students diagnosed with a seizure disorder.

Under no circumstances are medications to be shared with other students.

If a student with a known condition warrants oxygen treatment at school, the treating LHCP and registered nurse shall develop a written plan of treatment including all equipment and supplies.

The Diocese of Arlington does not permit the use, possession, or transfer of marijuana including Cannabidiol (CBD), Tetrahydrocannabinol (THC-A) and Cannabis Oil, for any purpose. Students who qualify under local law to use marijuana for medical purposes may not possess, store, use or share marijuana on school property or school-sponsored events.

Picc Lines, Heparin/Saline Locks, and Central Venous Lines may be present in students with specialized health care needs. Dressing changes, heparin flushes, and other medication administration via these lines are to be done at home, not at school.

When the medication is epinephrine, trained school employees are permitted to administer EpiPen injections when:

- a. the parents advise the staff most directly involved with the student of the situations when an EpiPen may need to be administered (e.g., symptoms indicating that a person is suffering from severe allergic reaction, basic procedures for administering the EpiPen with a suitable demonstration);
- b. parents of students requiring such injections provide a licensed health-care provider letter attesting to the life-threatening allergy;
- c. parents agree to execute the release of liability/hold harmless agreement regarding the use of the EpiPen.

All diocesan schools will maintain non-student-specific school stock epinephrine. This school stock epinephrine can be used in an allergy-naïve student when anaphylaxis is suspected. Employees at the

school will be informed of the location where the medication will be stored, and they will be appropriately educated on its use.

All diocesan schools will maintain naloxone, an opioid antagonist, to be available for use if opioid overdose is suspected in any individual on school campus. Any student receiving naloxone will be transported via EMS to the local emergency room and cleared to return to school. All staff will be trained in how to recognize opioid overdose and administer naloxone.

A student is NOT permitted to self-medicate. The school does not assume responsibility for medications taken independently by the student. Exceptions may be made on a case-by-case basis for students who demonstrate the capability to carry and self-administer emergency lifesaving medications (e.g. inhaler, EpiPen).

All OTC and prescription medications are to be kept locked in the clinic/school office and be administered by the school nurse, clinic aide, principal, or trained designee. No student is to carry/possess medications without appropriate medical authorization. No medication will be administered unless the school has received a signed copy of the Medication Authorization Form (*Appendix F-6*). OTC medications do not require a health care provider's signature unless the medication is required for four (4) or more consecutive days.

It shall be the student's responsibility to come to the clinic/school office at the appropriate time for medication unless a health care provider or parent/guardian indicates in writing that the student cannot do this.

Within one week after expiration of the effective date on the order, or on the last day of school, the parent/guardian must personally collect any unused portion of the medication. Medications not claimed within that period will be destroyed.

LIFE THREATENING ALLERGY

Schools will utilize current resources and reputable materials such as: Food Allergy Research & Education (FARE) and the CDC's *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs* to develop allergen management communications for student handbooks, classrooms, and parental publications.

All schools must provide an annual in-service educating school faculty and staff about the policy. Training will include minimizing the risk of exposure to life threatening allergens in the school setting as well as anaphylaxis recognition, medical management, and incident reporting.

Schools will utilize the policy to develop allergen management communications for student handbooks, classrooms, and parental publications. Schools will select and train staff to be utilized as anaphylaxis response teams responsible for managing an allergic crisis.

Parents/guardians of students with a life-threatening allergy must inform the principal and school health personnel of any allergies and provide schools with fully executed diocesan documents. Parents/guardians are expected to supply schools with any emergency medications as prescribed

and may additionally provide the student with “safe” foods for classroom celebrations involving food. Schools will utilize diocesan documents to formulate an emergency care plan for the student and will share this care plan with those involved with the student including, but not limited to: teacher(s), food service, bus drivers, and janitorial staff.

TELEHEALTH

Medical appointments made via telehealth cannot be facilitated in the school building. If a student has been scheduled for a telehealth visit for medical reasons, the parent/guardian will need to check his/her student out of the school building and complete the appointment in the privacy of their vehicle or at home.

If a school is able to adequately support virtual regularly scheduled therapy sessions in the building (e.g., occupational or speech therapy) for students with a documented diagnosis, they can do so on a case-by-case basis after evaluating the specific circumstances.

SPECIALIZED STUDENT CARE NEEDS

The parent/guardian of any student on a continuing regimen for a non-episodic condition shall inform the school principal/administration and identify, in writing, the name of the student’s supervising health care provider. If necessary, and with parental written consent, there may be occasions when the school needs to communicate with the health care provider regarding possible effects on the student’s healthcare management, special emergency procedures, or behavior at school.

TOILETING/INCONTINENCE

Although the vast majority of school staff would assist in an emergency situation, as no child should be left in wet or soiled clothing, it is important to note that there is no expectation that routine and predictable incidents are to be dealt with by school staff.

Parents/guardians will always be contacted in incidents of soiling. The exception to this policy is the student with a prescribed health-related treatment or procedure plan obtained in writing from a LHCP, with proper authorizations in writing by the parent or guardian.

For preschool students, it is recognized that continence training is an area of development which is reached at different ages for all children and that every child has individual needs which are respected. The preschool director will determine age-appropriate protocols for the student population.

USE OF CRUTCHES

An order from a licensed healthcare provider is required to use crutches at school. If a student arrives at school on crutches without a licensed health-care provider order, the parent will be called to take the student home.

CONTROL OF COMMUNICABLE DISEASES

DISEASE

Parents/guardians must notify the school within 24 hours if their child or any member of the immediate household has developed a communicable disease. Parents must notify the school immediately if the disease is life threatening. Parents must pick up their sick or injured child in a timely manner when contacted. If the parent cannot be reached, emergency contacts will be called to pick up the child.

The protection and welfare of each individual student is of great importance in the schools of the Diocese of Arlington. In an effort to enhance the protection of students:

- a. No daycare/preschool, elementary, middle, or secondary school student may attend class without documentary proof of adequate immunization in accordance with Virginia Department of Health's school entry requirements (or modified schedule as approved by licensed health care provider) on the Virginia School Entrance Health Form MCH-213G (*Appendix F-2*).
 - i. A certificate of immunization is not required for any student for whom the school has written certification from a licensed doctor of medicine or osteopathy, licensed nurse practitioner, or the local health department, that one of more of the required immunizations may be detrimental to the student's health. The certification must indicate the specific nature and probable duration of the medical condition or circumstance that contraindicates immunization. The Virginia School Entrance Health Form (MCH-213G) provides a space for such a certification to be made
 - ii. On a basic level, for the good of society, the Catholic church generally encourages the use of immunizations. The Church teaches that questions of immunization are "left to a matter of conscience" and parents have the right to decide about the health of their children in this matter. Parents or guardians who object to the administration of immunizing agents for their child on the grounds that this conflicts with their religious tenets or practices must produce a notarized Certificate of Religious Exemption form (*Appendix F-18*), which will be retained in the student health record. Schools may request a statement from their parish priest or affiliate, describing such objection to specific immunizing agents. If an outbreak of a vaccine-preventable illness occurs, the student who is not immunized against that disease, will be excluded from school for an undetermined period of time, as per the instructions of the State Health Commissioner and the public health department.
- b. Students who have traveled or resided in a foreign country for three months or more where tuberculosis is common are required to provide documentation, prior to school entry, of a negative tuberculosis skin test or chest x-ray result. All diocesan schools are responsible

for compliance with local health department regulations pertaining to tuberculosis screening and treatment.

- c. Students with fevers and/or contagious or infectious diseases will be sent home promptly and will be excluded from school while in that condition, according to the Virginia Department of Health regulations. (See General Illness Procedures.)
- d. School health personnel will follow the Virginia Department of Health Communicable Disease Chart, found in the *Virginia School Health Guidelines*, when referring suspected cases of communicable disease to the local health department for excluding or readmitting a student.
- e. The Diocese of Arlington has comprehensive guidelines for school/parish-based influenza vaccination clinics. The liability associated with the vaccination of children is great. The Diocese of Arlington does not promote school-based vaccination clinics for children during school hours, and in the absence of the parent, with the exception of a state or federal emergency. Any school wishing to offer an onsite school immunization program must comply with all aspects of the Memorandum of Agreement Vendors wishing to serve as vaccinators must be fully vetted by the Office of Risk Management prior to the signing of any contract for services.

LICE

All students identified as having an active case of lice will be excluded from school until they receive treatment. It is the responsibility of the parent/guardian to provide appropriate and adequate treatment for the student and home environment as recommended by their health care professional. Readmission to school is determined by the school nurse/administration based upon re-inspection and the effectiveness of treatment. Follow up treatment is expected and verified by the school nurse/administration. Classroom contacts may be inspected.

When it is reported that a child is infected with lice the administration notifies the parents of the children in that grade via a letter that day. Parents must certify their child is nit-free before the child may return to school.

BLOODBORNE DISEASE

The Christian community is called to respond to the sick in our midst with compassion and justice. The diocese recognizes its obligation to protect the rights of individual students infected with Hepatitis and Human Immunodeficiency Virus (HIV) and to provide a safe environment for students, staff members, and the public. Students who are infected with bloodborne Hepatitis, Human Immunodeficiency Virus (HIV), or HIV-related conditions must be provided the opportunity to receive a Catholic school education.

Since it is known that bloodborne Hepatitis and HIV are not transmitted through casual contact, any student who is infected will continue education in a regular classroom assignment unless his or her health status requires otherwise. It is the intent of the Diocese of Arlington Office of Catholic

Schools to follow the recommendations of the U.S. Centers for Disease Control and Prevention (CDC) and the Virginia Department of Health, which state that most bloodborne Hepatitis and HIV-infected children be allowed to attend school in an unrestricted setting, and that decisions regarding school attendance be based on the medical condition of each child and the expected type of interaction with others in that setting.

Persons involved in the implementation and monitoring of this policy shall maintain confidentiality of records in compliance with federal and state law and diocesan policy. All diocesan schools shall also maintain a program of information and training for school staff members to ensure a consistent and accurate understanding regarding prevention of exposure to bloodborne pathogens. This includes training related to the proper application of universal/standard precautions.

FIRE/EMERGENCY DRILLS

Fire drills are conducted regularly by the school administration. Each room in the school has a visible evacuation chart with the route to be taken clearly indicated. A written record of each drill is maintained in the school office.

Earthquake drills are done at least once a year.

Tornado drills are done at least once a year.

Intruder Alert drills are done at least four times a year.

HARASSMENT

Harassment can take place in person or in writing and can be physical, verbal, or electronic. Regardless of its form, the Diocese of Arlington prohibits it.

This policy applies to the school site itself, to all school-sponsored and affiliated activities and events, whether in school or out of school, including but not limited to special events, field/service trips, retreats and/or other overnight trips, sporting events and practices, to all forms of transportation used by school personnel and students to come and go to the school and school-affiliated activities, and to all forms/use of technology.

Furthermore, since student behavior, whether inside or outside of school, reflects on our schools and can have a significant impact on life at school, there are times when it is appropriate and important for school administration to respond to incidents that occur outside of school and beyond school hours. Therefore, the schools reserve the right to discipline those in the community who engage in harassment of other school community members at any location and at any time if such harassment takes the form of obscene, libelous, slanderous language or incites violence, invades the rights of others, or contributes to a substantial disruption of the school community. Therefore,

if such harassment originates outside of school and it comes to the attention of school staff, appropriate action will be taken to maintain a safe and respectful work and academic environment. As the primary educators of their children, parents have the responsibility to handle harassment issues not involving the school and that are occurring outside of school.

Bullying, harassment, intimidation, or retaliation against anyone who has reported these behaviors is prohibited. Students engaging in these behaviors are subject to disciplinary and/or legal action. Students, parents, employees, and service providers are responsible for reporting incidents of bullying, harassment, intimidation, or retaliation on campus. School principals will ensure that all illegal behaviors are reported to the appropriate local authorities and the Superintendent of Catholic Schools immediately.

SEXUAL HARASSMENT AND/OR SEXUAL ABUSE – STUDENTS

No student is to sexually harass or sexually abuse another person. All reports of harassment or abuse will be thoroughly, and appropriately investigated, and disciplinary action will be taken as appropriate, up to and including expulsion. Instances of sexual abuse, that has been investigated and confirmed, will result in suspension at a minimum. If it appears that a violation of criminal law may have occurred, the matter will be reported to law enforcement authorities. During the investigation of an alleged crime, a student alleged to have perpetrated or participated in it may need to be asked to leave campus.

Any student who believes that he or she has been sexually harassed or abused needs to immediately report such information to a trusted member of the school staff. If a student makes a report, the staff member will report the information to the principal. A student who is uncomfortable for any reason with reporting such alleged harassment/abuse to a trusted member of the school staff, or is not satisfied in doing so, may report the matter directly to the Superintendent of Schools. Any information reported shall, to the extent possible, be treated as confidential.

No student will be subject to any retaliation or disciplinary action on the part of the school for reports of sexual harassment/abuse made in good faith.

Children under 17 years of age cannot legally consent under Virginia State Law to having sex or sexual contact with an adult. **Any sexual contact between a student under 17 and an adult is a crime. It must be reported to the police.**

In addition, any sexual or romantic conduct between a school employee or an employee of a contracted service provider and a present student of any age, even if 17 years of age or older, and even if consented to or welcomed by the student, is strictly prohibited by this policy while the student is attending a diocesan school and for one year post-date of graduation, and will result in dismissal of the adult involved. As such, this policy prohibits sexting between students and employees or employees of contracted service providers and the showing of pornography to any student by any such adult. Such activity will result in the dismissal of the adult involved and the reporting of such conduct to the appropriate authorities.

In an effort to minimize/address sexual harassment/abuse, students in grades 6 to 12 must receive appropriate age level instruction pertaining to harassment by September 30 of every school year (*Appendix AB*). The Validation of Sexual Harassment Instruction must be completed and submitted annually to the Office of Catholic Schools by September (*Appendix H-1*).

BULLYING

Bullying is defined as any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the person being bullied; involves a real or perceived power imbalance between aggressor or aggressors and person being bullied; and is repeated over time or causes severe emotional trauma. Bullying includes cyberbullying. Bullying does not include inappropriate developmental teasing, horseplay, argument, or peer conflict.

Examples include, but are not limited to:

- a. Physical intimidation or assault
- b. Extortion
- c. Oral or written threats, including text messaging
- d. Malicious teasing
- e. Putdowns
- f. Name calling
- g. Threatening looks
- h. Gestures or acts of aggression (overt and covert)
- i. Cruel rumors & false accusations
- j. Social isolation
- k. Cyberbullying

Bullying is prohibited. School personnel will not tolerate any bullying on diocesan school grounds or at any school-sponsored activity (on or off school grounds). In addition, the Office of Catholic Schools expects students and parents who become aware of an act of bullying or cyberbullying to report it to appropriate school personnel (e.g. principal, teacher, school counselor). The Office of Catholic Schools expects staff members who become aware of an incident of bullying or cyberbullying to take appropriate steps to intervene unless intervention would be a threat to staff members' safety. If a staff member believes that his/her intervention has not resolved the matter, or if the bullying persists, he/she shall report the bullying to the school principal for further investigation.

In cases of reported bullying, the principal or designee shall interview all students involved (i.e. the alleged aggressor(s) and the alleged target(s)) and investigate, as appropriate. This investigation may include interviews with students, parents/guardians, and school staff; review of

school records; and identification of parent and family issues. Any student who retaliates against another for reporting bullying will be subject to appropriate consequences.

Consequences for students who bully others shall depend on the results of the investigation and may include:

- a. Counseling
- b. Parent conference

- d. Suspension and/or expulsion

Depending on the severity of the incident(s), the principal may also report incidents of bullying to law enforcement.

HAZING

Hazing is defined as the imposition of strenuous, often humiliating, tasks as part of a program of rigorous physical training and initiation.

Hazing is prohibited. School personnel will not tolerate any hazing on diocesan school grounds, in virtual school, or at any school-sponsored activity (on or off school grounds). In addition, the Office of Catholic Schools expects students and parents who become aware of an act of hazing to report it to appropriate school personnel (e.g. principal, teacher, school counselor). The Office of Catholic Schools expects staff members who become aware of an incidence of hazing to report the hazing to school administration for further investigation.

In cases of reported hazing, the principal or designee shall interview all students involved (i.e., the alleged aggressor(s) and the alleged target(s)) and investigate, as appropriate. This investigation may include interviews with students, parents/guardians, and school staff; review of school records; and identification of parent and family issues. law enforcement.

RACISM

Racism is defined as prejudice, discrimination, or antagonism by an individual, community, or institution against a person or people on the basis of their membership in a particular racial or ethnic group, typically one that is a minority or marginalized.

Examples include but are not limited to:

- a. Discrimination
- b. Victimization
- c. Oral or written threats, including text messaging
- d. Malicious teasing
- e. Putdowns
- f. Name calling
- g. Threatening looks
- h. Gestures or acts of aggression (overt and covert)
- i. Cruel rumors and false accusations
- j. Social isolation
- k. Cyber-racism (racism that takes place using digital devices)

Racism is prohibited. School personnel will not tolerate any racism on Diocesan school grounds or at any school-sponsored activity (on or off school grounds). In addition, the Office of Catholic Schools expects students and parents who become aware of an act of racism to report it to appropriate school personnel (e.g. principal, teacher, school counselor). The Office of Catholic Schools expects staff members who become aware of any racism incident to take appropriate steps to intervene unless intervention would be a threat to staff members' safety. Every instance of suspected racism should be brought immediately to the attention of school leadership.

In cases of reported racism, the principal or designee shall interview all students involved (i.e., the alleged aggressor(s) and the alleged target(s)) and investigate, as appropriate. This investigation may include interviews with students, parents, and school staff; review of school records; and identification of parent and family issues. Any student who retaliates against another for reporting racist behavior will be subject to appropriate consequences.

Consequences for students engaged in racist behavior shall depend on the results of the investigation and may include:

- a. Counseling
- b. A parent conference

- c. Detention
- d. Suspension and/or expulsion

Depending on the severity of the incident(s), the principal may also report incidents of racism to law enforcement.

RESPECT FOR LIFE

A fundamental tenet of our Catholic faith is that human life must be respected and protected absolutely from the moment of conception. In the event of a student pregnancy or participation in an abortion, the school may condition continued enrollment in the school upon the student's/family's compliance with the foregoing and other corollary tenets of the Catholic Church.

ASBESTOS MANDATORY YEARLY NOTIFICATION

ASBESTOS NOTIFICATION

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which requires schools to be inspected to identify any asbestos-containing building materials.

The law further requires an asbestos management plan to be in place. You are welcome to review a copy of the asbestos management plan at the school during regular business hours.

VIDEO SURVEILLANCE CAMERAS

School leadership at each individual school must install video surveillance cameras in order to maintain a safe and secure environment.

- a. Video surveillance cameras may be placed in public locations deemed appropriate. Such locations may include, without limitation, school entrances/exits, lobby areas, hallways, classrooms, cafeterias, athletic areas, gathering spaces, and outdoor grounds, as well as school buses.
- b. Restrooms, changing rooms, private offices, nurse's offices, and locker rooms are excluded from security camera use.
- c. It is recognized that it will not be possible to monitor all building areas, rooms, and grounds, or to monitor any location at all times.

To the extent video images may be deemed appropriate to create student records or personnel records, the school shall comply with any applicable state and federal laws related to record maintenance, retention, and disclosure.

Video images obtained by the school shall be viewed by authorized school and diocesan personnel as necessary. The school and the diocese may rely on the images obtained by the video surveillance cameras in connection with the enforcement of diocesan or school policies, regulations, codes of conduct, building rules, and other applicable laws or rules, including, but not limited to, use of such images in student disciplinary proceedings and matters referred to local law enforcement agencies in accordance with applicable law. Video images may become part of a student's educational record in accordance with applicable law.

All video recordings shall be stored in a secure place. Recordings will be saved for no less than 60 days and may be retained longer if deemed appropriate. All video recordings are the sole property of the Catholic Diocese of Arlington. Release of such videos will be made only with the permission of the diocesan Superintendent of Schools or his/her designee.

The Commonwealth of Virginia helps assure parents/guardians that child day programs that assume responsibility for the supervision, protection, and well-being of a child for any part of a 24-hour day are safe.
