

St. John the Evangelist Catholic School

Dress Code

The dress code provides a standard for our students, which fosters an environment conducive to learning and respectful behavior. Final decisions regarding the school uniform rest with the principal/administration.

Uniform Requirements:

School uniforms are to be worn with pride and according to school regulations. St. John students are expected to follow rules of good grooming and modesty. Uniforms are to be clean and in good repair. By complying with school rules regarding the wear of the proper school uniform, children are learning about responsibility and individual pride. All uniforms must be purchased from the designated uniform companies.

A uniform non-compliance form will be issued for lack of uniform compliance which must be signed by the parents and returned to school the following day. The second noncompliance will result in calling the parent to pick the student up from school and obtain the correct uniform component out of compliance. The third violation will result in a disciplinary referral signed by the principal and filed in the permanent record.

Uniform Guidelines:

- Shirts must remain neatly tucked in and belts must be worn when wearing pants or shorts.
- Ties are expected to be pulled up.
- Girls' jumpers and skirts may not be more than two inches above the knee.
